1.0 INTRODUCTION

The Two Rivers West Community Development District ("the District") encompasses approximately 1,641.903 acres in southern Pasco County, Florida. The District is located within Sections 28, 29, 30, 31, 32 and 33, Township 26 South, Range 21 East and Section 36, Township 26 South, Range 20 East and contains vacant land with State Road 56 along the northern boundary, Hillsborough County along the southern boundary, and Morris Bridge Road along the western boundary, and other vacant land along the eastern boundary and US Highway 301 (aka Gall Boulevard).

See Appendix A for Vicinity Map and Legal Description of the District.

2.0 PURPOSE

The District was established by Pasco County Ordinance 21-41, effective December 9, 2021. The purpose of this Report of the District Engineer is to provide a description and estimated construction costs of Assessment Area 2, Parcels C2, D2, and Parcel E Villas, totaling 308 units within the District.

See Appendix B for an Assessment Area 2 Site Plan.

3.0 THE DEVELOPMENT

Various improvements associate with the Special Assessment Bonds – Series 2022 are in the process of being completed for Phases B1, B2, B3, B4, and C1, and Morris Bridge Road improvements, and a portion of Colston Avenue and Two Rivers Boulevard, as described in the Report of the District Engineer.

4.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES

Detailed descriptions of the proposed public improvements and community facilities are provided in the following sections.

4.1 WATER MANAGEMENT AND CONTROL

The design criteria for the District's water management and control is regulated by Pasco County and the Southwest Florida Water Management District (SWFWMD). The water management and control plan for the District focuses on utilizing newly constructed ponds within upland areas and on-site wetlands for stormwater treatment and storage.

Any excavated soil from the ponds is anticipated to remain within the development for use in building public infrastructure including roadways, landscape berming, drainage pond bank fill requirements, utility trench backfill, and filling and grading of public property.

The primary objectives of the water management and control for the District are:

1. To provide stormwater quality treatment.
2. To protect the development within the District from regulatory-defined rainfall events.
3. To maintain natural hydroperiods in the wetlands and connecting flow ways.
4. To ensure that adverse stormwater impacts do not occur upstream or downstream as a result of constructing the District improvements during regulatory-defined rainfall events.
5. To satisfactorily accommodate stormwater runoff from adjacent off-site areas which may naturally drain through the District.
6. To preserve the function of the flood plain storage during the 100-year storm event.

Water management and control systems are designed in accordance with Pasco County technical standards. The District is anticipated to own and maintain these facilities. Storm sewer systems within collector roads rights-of-way are anticipated to be owned and maintained by Pasco County and storm sewer systems within the subdivision street rights-of-way are anticipated to be owned and maintained by the District.

4.2 WATER SUPPLY

The District is located within the Pasco County Utilities Services Department's service area which will provide water supply for potable water service and fire protection to the property. The water supply improvements are anticipated to include looped water mains which will supply potable water service and fire protection to the District. Off-site master improvements are required to provide service to the District.

The water supply systems are designed in accordance with Pasco County Utilities Standards for Design and Construction. It is anticipated that Pasco County Utilities Department will own and maintain these facilities.

4.3 SEWER AND WASTEWATER MANAGEMENT

The District is located within the Pasco County Utilities Services Department's service area which will provide sewer and wastewater management service to the District. The sewer and wastewater management improvements are anticipated to include a gravity sanitary sewer system within the road rights-of-way and pumping stations that will connect to an existing force main. As well, reclaimed water service will be provided as part of the sewer and wastewater management system. Off-site master improvements are required to provide service to the District.

All sanitary sewer and wastewater management facilities are designed in accordance with Pasco County Utilities Standards for Design and Construction. It is anticipated that Pasco County Utilities Services Department will own and maintain these facilities.

4.4 DISTRICT ROADS

District Roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, and sidewalks within rights-of-way abutting common areas.

Collector roads, including a portion of Colston Avenue, Two Rivers Boulevard and Morris Bridge Road improvements, have been designed in accordance with the Pasco County Engineering Services' Project Management/Design Division technical standards and are anticipated to be owned and maintained by Pasco County. Subdivision streets have been designed in accordance with the Pasco County Engineering Services' Project Management/Design Division technical standards and are anticipated to be owned by the District.

4.5 UNDERGROUNDING OF ELECTRICAL SERVICE

Tampa Electric Company (TECO) is the electric service provider to the District, and they charge fees to convert overhead service to underground service. The fees associated with installing this underground conduit may be funded with the 2022 Series Bonds.

4.6 LANDSCAPING/ HARDSCAPE/IRRIGATION

Community entry monumentation and landscape buffering and screening will be provided at several access points into the District. Irrigation will also be provided in the landscaped common areas.

These improvements will be owned and maintained by the District.

5.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES COSTS

See Appendix C for the Construction Cost Estimate of the Public Improvements and Community Facilities for Parcels C2, D2, and Parcel E Villas and off-site master improvements.

6.0 SUMMARY AND CONCLUSION

Items of the construction costs in this report are based on local contractor bid information obtained by the Developer. It is our professional opinion that the estimated infrastructure costs provided herein for the development are conservative to complete the construction of the Public Improvements and Community Facilities described herein.

The estimate of the construction costs is only an estimate and not a guaranteed maximum cost. The estimated cost is based on historical unit prices or current prices being experienced for on-going and similar items of work in the Pasco County. The labor market, future costs of equipment and materials, and the actual construction process are all beyond our control. Due to this inherent possibility for fluctuation in costs, the total final cost may be more or less than this estimate.

BY EXECUTING AND DELIVERING A CONTRACT OF PURCHASE; APPROVING THE FORM OF AND AUTHORIZING THE EXECUTION OF THE THIRD SUPPLEMENTAL TRUST INDENTURE; MAKING CERTAIN FINDINGS; APPROVING FORMS OF SAID BONDS; APPROVING THE FORM OF THE PRELIMINARY LIMITED OFFERING MEMORANDUM AND AUTHORIZING THE USE OF THE PRELIMINARY LIMITED OFFERING MEMORANDUM AND LIMITED OFFERING MEMORANDUM AND THE EXECUTION THEREOF; APPROVING THE FORM OF AND AUTHORIZING EXECUTION OF THE CONTINUING DISCLOSURE AGREEMENT; AUTHORIZING CERTAIN OFFICIALS OF THE DISTRICT AND OTHERS TO TAKE ALL ACTIONS REQUIRED IN CONNECTION WITH THE ISSUANCE, SALE AND DELIVERY OF SAID BONDS; PROVIDING CERTAIN OTHER DETAILS WITH RESPECT TO SAID BONDS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Two Rivers West Community Development District (the "District") is authorized by Florida Statutes, Chapter 190 (the "Act"), particularly Section 190.016, to issue bonds secured by a pledge of revenues derived from any project or combination of projects; and

WHEREAS, pursuant to its Resolution No. 2022-22, adopted by the Board of Supervisors of the District (the "Board") on December 17, 2021 (the "Authorizing Resolution"), the District authorized the issuance of not to exceed \$176,095,000 in principal amount of its special assessment revenue bonds (the "Bonds") in separate series, secured from the revenues and issued for the purposes as set forth in said Authorizing Resolution and in the Master Indenture (hereinafter defined); and

WHEREAS, pursuant to the Act, the District now desires to supplement the Authorizing Resolution to authorize the issuance of and award the sale of its Special Assessment Bonds, Series 2023 (Series 2023 Project), in a principal amount not to exceed \$9,000,000 (the "Series 2023 Bonds"), to approve the Supplemental Indenture (hereinafter defined) and to provide for various other matters relating to the issuance of the Series 2023 Bonds; and

WHEREAS, the Board has received from FMSbonds, Inc. (the "Underwriter") a proposal in the form of a Contract of Purchase (the "Contract") for the purchase of the Series 2023 Bonds, and the Board has determined that acceptance of such proposal and the sale of the Series 2023 Bonds to the Underwriter is in the best interest of the District for the reasons indicated herein; and

WHEREAS, in conjunction with the sale and issuance of the Series 2023 Bonds, it is necessary to approve the form of Supplemental Indenture, to approve the form of the Series 2023 Bonds and to provide for various other matters with respect to the issuance of the Series 2023 Bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF TWO RIVERS WEST COMMUNITY DEVELOPMENT DISTRICT, AS FOLLOWS:

SECTION 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture (hereinafter defined).

SECTION 2. Authorization. The Series 2023 Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$9,000,000. The Series 2023 Bonds shall be issued under and secured by that Master Trust Indenture dated as of January 1, 2022 (the "Master Indenture"), by and between the District and U.S. Bank Trust Company, National Association (the "Trustee"), as supplemented with respect to the Series 2023 Bonds by the Third Supplemental Trust Indenture to be dated as of the first day of the month in which the Series 2023 Bonds are issued, or such other date set forth therein (the "Supplemental Indenture" and, collectively with the Master Indenture, the "Indenture"), by and between the District and the Trustee. The proceeds of the Series 2023 Bonds shall be used for the purposes set forth in the Indenture and the Limited Offering Memorandum (hereinafter defined).

SECTION 3. Approval of Supplemental Indenture. The Supplemental Indenture is hereby approved in substantially the form set forth as part of Exhibit A hereto. The Chairman or the Vice Chairman of the Board are hereby authorized and directed to execute and deliver such Supplemental Indenture on behalf of and in the name of the District, and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and approved by the Chairman or the Vice Chairman executing the same, such execution to be conclusive evidence of such approval. The Master Indenture is hereby ratified and confirmed, subject to any amendments or supplements thereto with respect to the Series 2023 Bonds contained in the Supplemental Indenture. The appointment of U.S. Bank Trust Company, National Association as Trustee under the Master Indenture is hereby ratified and confirmed, and the Trustee is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Supplemental Indenture.

SECTION 4. Negotiated Sale. The Board hereby determines that a negotiated sale of the Series 2023 Bonds to the Underwriter is in the best interest of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2023 Bonds at presently favorable interest rates, and because the nature of the security for the Series 2023 Bonds and the sources of payment of

debt service on the Series 2023 Bonds require the participation of the Underwriter in structuring the bond issue.

SECTION 5. Contract Approved. The Board hereby approves the Contract in substantially the form attached as **Exhibit B** hereto. The Chairman or Vice Chairman of the Board is hereby authorized to execute the Contract and to deliver the Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairman or Vice Chairman; provided, however, that (i) the average net interest cost rate on the Series 2023 Bonds shall not exceed the rate computed by adding 300 basis points to The Bond Buyer "20 Bond Index" published immediately preceding the first day of the calendar month in which the Series 2023 Bonds are sold, as provided in Section 215.84(3), Florida Statutes, (ii) the Underwriter's discount shall not exceed 2.00% of the original principal amount of the Series 2023 Bonds, (iii) the Series 2023 Bonds shall be subject to optional redemption as provided in the Contract, and (iv) the final maturity date of the Series 2023 Bonds shall be no later than the maximum term allowed by Florida law, which is currently thirty years of principal amortization. Execution by the Chairman or Vice Chairman of the Contract shall be deemed to be conclusive evidence of approval of such changes.

SECTION 6. Preliminary Limited Offering Memorandum and Limited Offering Memorandum. The District hereby approves the Preliminary Limited Offering Memorandum in substantially the form attached hereto as **Exhibit C** (the "Preliminary Limited Offering Memorandum") and authorizes its distribution and use by the Underwriter in connection with the offering for the sale of the Series 2023 Bonds. If, between the date hereof and the mailing of the Preliminary Limited Offering Memorandum, it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chairman or Vice Chairman is hereby authorized to approve such insertions, changes and modifications, and the Chairman or Vice Chairman is hereby authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") under the Securities Exchange Act of 1934, in the form as mailed and in furtherance thereof to execute a certificate evidencing same. The preparation of a final Limited Offering Memorandum is hereby approved, and the Chairman or Vice Chairman is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the Contract and to deliver the same to the Underwriter for use by the Underwriter in connection with the sale and distribution of the Series 2023 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with only such changes as shall be approved by the Chairman or Vice Chairman as necessary to conform to the details of the Series 2023 Bonds and such other insertions, modifications and changes as may be approved by the Chairman or Vice Chairman. The execution and delivery of the Limited Offering Memorandum by the Chairman or Vice Chairman shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2023 Bonds.

SECTION 7. Forms of Series 2023 Bonds. The Series 2023 Bonds shall be in substantially the form set forth as an exhibit to the Supplemental Indenture, with such additions, deletions and other changes thereto as the officials of the Board executing such Series 2023 Bonds shall approve, such approval to be conclusively evidenced by the execution of the Series 2023

Bonds (by manual or facsimile signature) by such officials. The Board hereby authorizes and approves the use of a facsimile of the District seal on the Series 2023 Bonds.

SECTION 8. Continuing Disclosure Agreement. The form and content of the Continuing Disclosure Agreement (the "Disclosure Document") relating to the Series 2023 Bonds attached hereto as **Exhibit D** is hereby approved. The Chairman or Vice Chairman and the Secretary or any Assistant Secretary are hereby authorized to execute the Disclosure Document on behalf of the District in substantially the form attached hereto, with such additions, deletions, and other changes as may be necessitated by applicable law, this Resolution and the Contract as such officers may approve (such approval to be conclusively evidenced by their execution of the Disclosure Document).

SECTION 9. The Series 2023 Project. Proceeds of the Series 2023 Bonds shall be applied in the manner and deposited to the funds and accounts set forth in the Supplemental Indenture, for the principal purpose of financing the construction and/or the acquisition by the District of the Series 2023 Project (as defined in the Supplemental Indenture). The Series 2023 Project is hereby deemed to constitute a "Project" under the Master Indenture.

SECTION 10. Open Meetings. It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Series 2023 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirement of Florida Statutes, Section 286.011.

SECTION 11. Other Actions. The Chairman, the Vice Chairman, the Secretary and any Assistant Secretary of the District, and any authorized designee thereof (collectively, the "District Officers"), Bond Counsel, District Counsel, and any other consultant or experts retained by the District, are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Series 2023 Bonds and the consummation of all transactions in connection therewith. The District Officers are hereby authorized and directed to execute all necessary or desirable certificates, documents, papers, and agreements necessary for the undertaking and fulfillment of all transactions referred to in or contemplated by the Indenture, the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, this Resolution, the Disclosure Document and the Contract (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2023 Bonds, any documents required in connection with implementation of a book-entry system of registration, any investment agreements relating to the investment of the proceeds of the Series 2023 Bonds, and any agreements in connection with maintaining the exclusion of interest on the Series 2023 Bonds from gross income from the holders thereof). All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

SECTION 12. Approval of Prior Actions. All actions taken to date by the members of the Board and the officers, agents, and employees of the District in furtherance of the issuance of the Series 2023 Bonds are hereby approved, confirmed and ratified.

SECTION 13. Inconsistent Resolutions and Motions. All prior resolutions of the Board inconsistent with the provisions of this Resolution are hereby modified, supplemented and amended to conform with the provisions herein contained and, except as so modified, supplemented and amended hereby, shall remain in full force and effect.

SECTION 14. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

SECTION 15. Effective Date. This Resolution shall become effective immediately upon its adoption.

The District shall keep, at the designated corporate trust office of the Registrar, books (the "Bond Register") for the registration, transfer and exchange of the Series 2023 Bonds, and hereby appoints U.S. Bank Trust Company, National Association, as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. U.S. Bank Trust Company, National Association hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

The District hereby appoints U.S. Bank Trust Company, National Association as Paying Agent for the Series 2023 Bonds. U.S. Bank Trust Company, National Association hereby accepts its appointment as Paying Agent and its duties and responsibilities as Paying Agent hereunder.

SECTION 2.09. Conditions Precedent to Issuance of the Series 2023 Bonds. In addition to complying with the requirements set forth in the Master Indenture in connection with the issuance of the Series 2023 Bonds, all the Series 2023 Bonds shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of:

- (a) Certified copies of the Assessment Resolutions;
- (b) Executed originals of the Master Indenture and this Supplemental Trust Indenture;
- (c) Opinions of Counsel required by the Master Indenture;

(d) A certificate of an Authorized Officer to the effect that, upon the authentication and delivery of the Series 2023 Bonds, the District will not be in default in the performance of the terms and provisions of the Master Indenture or this Supplemental Trust Indenture;

(e) Copies of executed investor letters in the form attached hereto as **Exhibit D** if such investor letter is required, as determined by the Underwriter; and

(f) Executed copies of the Arbitrage Certificate, the True-Up Agreement, the Acquisition Agreement, Declaration of Consent, the Completion Agreement, the Continuing Disclosure Agreement and the Collateral Assignment.

Payment to the Trustee of the net proceeds of the Series 2023 Bonds shall be conclusive evidence that the foregoing conditions have been satisfied as to the District and the Underwriter.

ARTICLE III

REDEMPTION OF SERIES 2023 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2023 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided in the form thereof set forth as **Exhibit B** to this Supplemental Trust Indenture. Series 2023 Bonds may be purchased as provided in Article VIII of the Master Indenture.

If at the time of mailing the notice of any redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem all the Series 2023 Bonds called for redemption, such notice shall state that it is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the redemption date, and such notice shall be of no effect unless such moneys are so deposited. All payments of the Redemption Price of the Series 2023 Bonds shall be made on the dates hereinafter required.

Except as otherwise provided in this Section 3.01 and in **Exhibit B** hereto, if less than all the Series 2023 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2023 Bonds or portions of the Series 2023 Bonds to be redeemed by lot. Partial redemptions of Series 2023 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2023 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2023 Bond.

Upon any redemption of Series 2023 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2023 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

SECTION 3.02. Notice of Redemption. When required to redeem Series 2023 Bonds under any provision of this Supplemental Trust Indenture or directed to redeem Series 2023 Bonds by the District, the Trustee shall give or cause to be given to Registered Owners of the Series 2023 Bonds to be redeemed, notice of the redemption, as set forth in Article VIII of the Master Indenture.

ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS AND ACCOUNTS;
ADDITIONAL COVENANTS OF THE DISTRICT; PREPAYMENTS;
REMOVAL OF SERIES 2023 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2023 Acquisition and Construction Account." Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Acquisition and Construction Account in the amount set forth in Section 2.06 of this Supplemental Trust Indenture, together with any moneys transferred or deposited thereto, including moneys transferred from the Series 2023 Reserve Account after satisfaction of each of Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement, and such moneys shall be applied as set forth in this Section 4.01(a) of this Supplemental Trust Indenture, Section 5.01 of the Master Indenture, and the Acquisition Agreement. Funds on deposit in the Series 2023 Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Series 2023 Project. Upon satisfaction of each of Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement, the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement shall then be transferred to the Series 2023 Acquisition and Construction Account and applied as provided in this Section 4.01(a).

After the Completion Date for the Series 2023 Project, and after retaining costs to complete the Series 2023 Project, any moneys remaining in the Series 2023 Acquisition and Construction Account shall be transferred to the Series 2023 General Redemption Subaccount, as directed in writing by the District, or the District Manager on behalf of the District, to the Trustee. After no funds remain therein, the Series 2023 Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the Series 2023 Acquisition and Construction Account shall not be closed until after both Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement shall have occurred and the excess funds from the Series 2023 Reserve Account shall have been transferred to the Series 2023 Acquisition and Construction Account and applied in accordance with this Section 4.01(a) and Section 4.01(f) hereof. The Trustee shall not be responsible for determining the amounts in the Series 2023 Acquisition and Construction Account allocable to the respective components of the Series 2023 Project.

The Trustee shall make no such transfers from the Series 2023 Acquisition and Construction Account to the Series 2023 General Redemption Subaccount if an Event of Default exists with respect to the Series 2023 Bonds of which the Trustee has notice as described in Section 11.06 of the Master Indenture or of which the Trustee has actual knowledge as described in Section 11.06 of the Master Indenture. Except as provided in **Exhibit B** hereto with respect to mandatory redemption of the Series 2023 Bonds after the Completion Date or Section 5.06 hereof regarding use of the Series 2023 Acquisition and Construction Account following an Event of Default, the Trustee shall withdraw moneys from the Series 2023 Acquisition and Construction Account only upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as **Exhibit C**.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2023 Costs of Issuance Account." Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Costs of Issuance Account in the amount set forth in Section 2.06 of this Supplemental Trust Indenture. Upon presentment to the Trustee of written direction of an Authorized Officer of the District, the Trustee shall withdraw moneys from the Series 2023 Costs of Issuance Account to pay the costs of issuing the Series 2023 Bonds. Six months after the issuance of the Series 2023 Bonds, any moneys remaining in the Series 2023 Costs of Issuance Account in excess of the amounts requested to be disbursed by the District shall be deposited into the Series 2023 Interest Account and the Series 2023 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2023 Bonds shall be paid from excess Series 2023 Pledged Revenues on deposit in the Series 2023 Revenue Account, as provided in Section 4.02. After no funds remain therein, the Series 2023 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2023 Revenue Account." Series 2023 Special Assessments (except for Prepayments of Series 2023 Special Assessments which shall be identified as such by the District to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2023 Special Assessments otherwise received by the Trustee, are to be deposited into the Series 2023 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2023 Interest Account." Moneys deposited into the Series 2023 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2023 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2023 Sinking Fund Account." Moneys shall be deposited into the Series 2023 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Supplemental Trust Indenture, and applied for the purposes provided therein and as set forth in **Exhibit B** hereto.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2023 Reserve Account." Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount set forth in Section 2.06 of this Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture

to the contrary, the District covenants not to substitute the cash and Investment Securities on deposit in the Series 2023 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2023 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings to the Series 2023 Revenue Account in accordance with Section 4.02 hereof.

In the event of a prepayment of Series 2023 Special Assessments in accordance with Section 4.05(a) of this Supplemental Trust Indenture, forty-five (45) days before the next Quarterly Redemption Date, the Trustee, after receiving the written direction of the District described in Section 4.05(a) hereof, shall recalculate the Series 2023 Reserve Requirement taking into account the amount of Series 2023 Bonds that will be outstanding as a result of such prepayment of Series 2023 Special Assessments, and cause the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement, resulting from Series 2023 Prepayment Principal, to be transferred to the Series 2023 Prepayment Subaccount to be applied toward the extraordinary redemption of Series 2023 Bonds in accordance with the extraordinary mandatory redemption provisions set forth in **Exhibit B** hereto, as a credit against the Series 2023 Prepayment Principal otherwise required to be made by the owner of such property subject to Series 2023 Special Assessments. Upon satisfaction of each of Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement, the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement shall then be transferred to the Series 2023 Acquisition and Construction Account and applied as provided in Section 4.01(a) hereof.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2023 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2023 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2023 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2023 Revenue Account to round up the amount in the Series 2023 Prepayment Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2023 Revenue Account shall be made to pay interest on and/or principal of the Series 2023 Bonds for the extraordinary mandatory redemption thereof if the deposits required under Section 4.02 FIRST through FIFTH cannot first be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2023 Bond Redemption Account" and within such Account, an "Series 2023 General Redemption Subaccount," an "Series 2023 Optional Redemption Subaccount," and an "Series 2023 Prepayment Subaccount." Except as otherwise provided in this Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2023 Bonds, moneys to be deposited into the Series 2023 Bond Redemption Account as provided in Section 6.06 of the Master Indenture shall be deposited to the Series 2023 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2023 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption of Series 2023 Bonds in accordance with **Exhibit B** hereto.

(i) Moneys in the Series 2023 Prepayment Subaccount (including all earnings on investments held in such Series 2023 Prepayment Subaccount) shall be accumulated therein to be used to call for extraordinary mandatory redemption in accordance with **Exhibit B** hereto an amount of Series 2023 Bonds equal to the amount of money transferred to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account for the purpose of such extraordinary mandatory redemption as provided in **Exhibit B**. In addition, and together with the moneys transferred from the Series 2023 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2023 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2023 Bonds in an Authorized Denomination, the Trustee upon written direction from the District, shall be authorized to withdraw amounts from the Series 2023 Revenue Account to deposit to the Series 2023 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2023 Revenue Account shall be directed by the District to pay interest on and/or principal of the Series 2023 Bonds for extraordinary mandatory redemption if, as a result, the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The District hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2023 Rebate Account." Moneys shall be deposited into the Series 2023 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2023 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2023 Bonds in accordance with Section 3.01(a) hereof and **Exhibit B** hereto.

SECTION 4.02. Series 2023 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing [November 1, 2023], to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming

due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each [May] 1, commencing [May 1, 2024], to the Series 2023 Sinking Fund Account, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such [May] 1, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2023 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless needed for the purposes of rounding the principal amount of an Series 2023 Bond subject to extraordinary mandatory redemption pursuant to Section 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of redemption of Series 2023 Bonds from Prepayments on deposit in the Series 2023 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2023 Revenue Account to the Series 2023 Prepayment Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2023 Bonds, as provided in Section 4.01(i) hereinabove.

SECTION 4.03. Power to Issue Series 2023 Bonds and Create Lien. The District is duly authorized under the Act and all applicable laws of the State to issue the Series 2023 Bonds, to execute and deliver the Indenture and to pledge the Series 2023 Pledged Revenues for the benefit of the Series 2023 Bonds to the extent set forth herein. The Series 2023 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2023 Bonds, except as otherwise permitted under Section 5.04 hereof. The Series 2023 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the District in accordance with their respective terms. The District shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all

the rights of the Holders of the Series 2023 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2023 Project to Conform to the Engineer's Report. Simultaneously with the issuance of the Series 2023 Bonds, the District will promptly proceed to construct or acquire the Series 2023 Project as described in **Exhibit A** hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2023 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2023 Special Assessments may, at its option, or as a result of acceleration of the Series 2023 Special Assessments because of non-payment thereof, shall, or by operation of law, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2023 Special Assessments by paying or causing there to be paid, to the District all or a portion of the Series 2023 Special Assessment, which shall constitute Series 2023 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2023 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2023 Bonds pursuant to the extraordinary mandatory redemption provisions set forth in **Exhibit B** hereto, in the event the amount on deposit in the Series 2023 Reserve Account will exceed the Series 2023 Reserve Requirement for the Series 2023 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption of Series 2023 Bonds, the excess amount shall be transferred from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount, as a credit against the Series 2023 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District to the Trustee together with a certificate of a Responsible Officer of the District stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2023 Reserve Account to equal or exceed the Series 2023 Reserve Requirement.

(b) Upon receipt of Series 2023 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the District shall immediately pay the amount so received to the Trustee, and the District shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2023 Special Assessment has been paid in whole or in part and that such Series 2023 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the District's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2023 Bonds from Series 2023 Prepayment Principal forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE DISTRICT

SECTION 5.01. Collection of Series 2023 Special Assessments. Pursuant to the terms and provisions of the Master Indenture, and except as provided in the next succeeding sentence, the District shall collect the Series 2023 Special Assessments relating to the acquisition and construction of the Series 2023 Project through the Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the District shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2023 Special Assessments levied in lieu of the Uniform Method with respect to any lands subject to the Series 2023 Special Assessments that have not been platted, or when the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this Supplemental Trust Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2023 Special Assessments, and to levy and collect the Series 2023 Special Assessments and any required true-up payments set forth in the Assessment Methodology or True-Up Agreement in such manner as will generate funds sufficient to pay Debt Service on the Series 2023 Bonds when due. All Series 2023 Special Assessments that are collected directly by the District shall be due and payable by the Landowners not later than thirty (30) days prior to each Interest Payment Date. The Assessment Methodology shall not be materially amended without the written consent of the Majority Holders.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the District and the Landowners have executed and delivered a Continuing Disclosure Agreement to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2023 funds, accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Bonds.

(a) The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds.

(b) Prior to the Series 2023 Special Assessments being assigned to either (i) platted lots or (ii) undeveloped, permitted parcels upon the closing of such parcel(s) with a homebuilder pursuant to the Assessment Methodology, the District shall be authorized to issue additional Bonds secured by Special Assessments levied against the assessable District Lands to finance public infrastructure improvements, provided that the total annual Special Assessments levied for each planned, permitted unit within the District do not exceed \$32.50 per front foot

(exclusive of collection costs and discount for early payment), taking into account Special Assessments levied to secure previously issued Bonds, including the Series 2022 Special Assessments and the Series 2023 Special Assessments.

(c) Notwithstanding the limitation set forth in paragraph (b) above, the District may issue other Bonds or other debt obligations for any capital project without limit at any time after the Series 2023 Special Assessments have been [Substantially] Absorbed. The District shall present the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2023 Special Assessments have not been Substantially Absorbed.

(d) Notwithstanding any of the foregoing, the District shall not be precluded from imposing Special Assessments or non-ad valorem assessments on District Lands (i) for the health, safety, and welfare of the District's residents or for purposes of remediating any natural disaster, catastrophic damage, or failure that has occurred with respect to any capital project or any component thereof or (ii) upon the written consent of the Majority Holders.

SECTION 5.05. Requisite Holders for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires the Holders of more than fifty percent (50%) in aggregate principal amount of the Outstanding Series 2023 Bonds shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding Series 2023 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2023 Bonds are payable solely from the Series 2023 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that the Series 2023 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2023 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee and that, upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, (i) the Series 2023 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2023 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2023 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2023 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

During the continuance of an Event of Default specified in Subsections 10.02(a), 10.02(b) or 10.02(g) of the Master Indenture (a "Payment Related Default"), disbursements from the Series 2023 Acquisition and Construction Account shall be made only with the consent of the Majority Holders, except as provided below. During the continuance of a Payment Related Default, the Majority Holders shall have the right to provide direction to the District to terminate, suspend, or proceed under any contracts for construction of the Series 2023 Project entered into prior to the

occurrence of such Payment Related Default. The Majority Holders may provide such direction at any time during the continuance of such Payment Related Default and shall not be deemed to have waived their right to do so through inaction or delay and may change such direction from time to time.

(i) Until such time as the Majority Holders provide such direction to the District, disbursements may be made without the consent of the Majority Holders for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default.

(ii) Upon direction by the Majority Holders to proceed under any such contract(s), no consent of the Majority Holders shall be required for disbursements for Costs incurred by the District thereunder until the date of suspension or termination of such contract directed by the Majority Holders described in subparagraph (iii) below.

(iii) Upon direction by the Majority Holders to suspend or terminate such construction contract(s), disbursements for Costs incurred by the District thereunder shall only be made (x) for disbursements for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default and which Costs relate to work performed before the earliest date on which the District is entitled to suspend or terminate such construction contract at the direction of the Majority Holders, or (y) with the consent of the Majority Holders.

Notwithstanding anything to the contrary contained herein, during the continuance of a Payment Related Default, the consent of the Majority Holders shall be required for disbursements for Costs under contracts for the acquisition of Series 2023 Project improvements from the Landowners or their affiliates.

SECTION 5.07. Amendment to Master Indenture. Section 10.02(g) of the Master Indenture is hereby amended with respect to the Series 2023 Bonds to provide as follows:

"(g) if at any time the amount in the Series 2023 Reserve Account is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal."

TWO RIVERS WEST COMMUNITY DEVELOPMENT DISTRICT
(PASCO COUNTY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2023
(SERIES 2023 PROJECT)

BOND PURCHASE CONTRACT

[_____] , 2023

Board of Supervisors
Two Rivers West Community Development District
Pasco County, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Two Rivers West Community Development District (the "District"). The District is located entirely within an unincorporated portion of Pasco County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at [5:00 P.M.] prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Two Rivers West Community Development District Special Assessment Bonds, Series 2023 (Series 2023 Project) (the "Series 2023 Bonds"). The Series 2023 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2023 Bonds shall be \$[_____] (representing the \$[_____] aggregate principal amount of the Series 2023 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]) (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the "Closing").

2. The Series 2023 Bonds. The Series 2023 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as

amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the "Act"), by Ordinance No. 2021-41 of the Board of County Commissioners of the County, adopted on December 7, 2021 and effective as of December 9, 2021 (the "Ordinance"). The Series 2023 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of January 1, 2022 (the "Master Indenture"), as supplemented by a Third Supplemental Trust Indenture dated as of [_____] 1, 2023 (the "Third Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolutions Nos. 2022-22 and 2023-[____], adopted by the Board of Supervisors of the District (the "Board") on December 17, 2021 and [July 18], 2023, respectively (collectively, the "Bond Resolution"). The Series 2023 Special Assessments, the revenues of which comprise the Series 2023 Pledged Revenues for the Series 2023 Bonds, have been levied by the District on those lands within the District specially benefited by the Series 2023 Project pursuant to the Assessment Resolutions (as such term is defined in the Third Supplemental Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2023 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2023 Bonds, that the entire principal amount of the Series 2023 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2023 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2023 Bonds.

(b) Except as otherwise set forth in Exhibit B attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2023 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Series 2023 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2023 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Series 2023 Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2023 Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the

date of this Purchase Contract, the maturities, if any, of the Series 2023 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2023 Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2023 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2023 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party, and

(2) a purchaser of any of the Series 2023 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(3) "sale date" means the date of execution of this Purchase Contract is executed by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter its Preliminary Limited Offering Memorandum dated [____], 2023 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2023 Bonds, being herein collectively called the

"Preliminary Limited Offering Memorandum"), relating to the Series 2023 Bonds, which the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2023 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Underwriter to circulate and use the Preliminary Limited Offering Memorandum in connection with the limited offering of the Series 2023 Bonds. The District, at its expense, shall deliver or cause to be delivered to the Underwriter, within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all of the requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [____], 2023 (such Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2023 Bonds, being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies and approves the circulation and use of the Limited Offering Memoranda by the Underwriter.

5. Definitions. 6. Representations, Warranties and Agreements. The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District, and the District is and will be on the Closing Date duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including without limitation the Act;

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolutions; (ii) enter into the Financing Documents and Ancillary Agreements to which it is a party; (iii) sell, issue and deliver the Series 2023 Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Series 2023 Bonds for the purposes described in the Limited Offering Memoranda; (v) acknowledge and authorize the use of the Preliminary Limited Offering Memorandum and the use and execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, and the Limited Offering Memoranda, including without limitation entering into the Property Appraiser and Tax Collector Agreement to provide for the collection of the Series 2023 Special Assessments using the Uniform Method of collection in accordance with the Indenture. The District has complied, and on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements to which it is a party and the Series 2023 Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolutions, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. By all necessary official Board action, the District has duly authorized and approved the use and delivery of the Preliminary Limited Offering Memorandum and the execution and delivery of the Financing Documents, the Ancillary Agreements, the Series 2023 Bonds and the Limited Offering Memorandum, has duly authorized and approved the performance by the District of the obligations on its part contained in the Financing Documents, the Ancillary Agreements and the Series 2023 Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract and the Preliminary Limited Offering Memorandum in connection with the issuance of the Series 2023 Bonds. Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto), the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond,

note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2023 Bonds, the Financing Documents, the Ancillary Agreements to which it is a party and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision or law or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, use or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Series 2023 Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2023 Bonds, the Financing Documents or the Ancillary Agreements to which the District is a party;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which (i) are required for the due authorization by the District, or (ii) would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the District, of its obligations to issue the Series 2023 Bonds, or under the Series 2023 Bonds, the Bond Resolution, the Assessment Resolutions, Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2023 Bonds;

(f) The descriptions of the Series 2023 Bonds, the Financing Documents, the Ancillary Agreements to which the District is a party and the Series 2023 Project to the extent referred to in the Limited Offering Memoranda, conform in all material respects to the Series 2023 Bonds, the Financing Documents, such Ancillary Agreements and the Series 2023 Project, respectively;

(g) The Series 2023 Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture, and upon such issuance, execution and delivery of the Series 2023 Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Series 2023 Bonds, a legally valid and binding pledge of the Series 2023 Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Series 2023 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2023 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2023 Special Assessments or the pledge of the Series 2023 Pledged Revenues, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2023 Bonds, or the authorization of the Series 2023 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and the Ancillary Agreements to which the District is a party, or the application of the proceeds of the Series 2023 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2023 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2023 Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2023 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2023 Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than "Permitted Omissions") and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2023 BONDS – Book-Entry System," "THE DEVELOPMENT," "THE LANDOWNERS," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Landowners," and "UNDERWRITING";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at

all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memorandum under the captions "DESCRIPTION OF THE SERIES 2023 BONDS – Book-Entry System," "THE DEVELOPMENT," "THE LANDOWNERS," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Landowners" and "UNDERWRITING";

(l) If between the date of this Purchase Contract and the earlier of (i) ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12, or (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB's Electronic Municipal Market Access system (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District except as disclosed in the Limited Offering Memoranda, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions, the Bonds, the Financing Documents or the Ancillary Agreements, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) Except as may be disclosed in the Preliminary Limited Offering Memorandum, the District has never failed to comply with any continuing disclosure obligations undertaken by the District in accordance with the continuing disclosure requirements of the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2023 Bonds), notes or other obligations payable from the Series 2023 Pledged Revenues.

7. **Closing.** At 10:00 a.m. prevailing time on [_____], 2023 (the "Closing Date") or at such later time as may be mutually agreed upon by the District and the Underwriter, the District will deliver or cause to be delivered to the Underwriter the Series 2023 Bonds in definitive book-entry-only form, duly executed and authenticated, together with the other documents hereinafter mentioned, and, subject to the terms and conditions hereof, the Underwriter will accept such delivery and pay the purchase price of the Series 2023 Bonds as set forth in Section 1 hereof, in federal or other immediately available funds to the order of the District. Unless otherwise expressly defined herein, capitalized terms used herein have the respective meanings assigned to them in the Bond Purchase Contract between the District and FMSbonds, Inc. dated [____], 2023 (the "**Bond Purchase Contract**").

In our capacity as counsel to the District, we have examined such documents and have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below. We have also attended various meetings of the District and have participated in conferences from time to time with representatives of the District, the District Manager, the District assessment consultant, the Underwriter, Bond Counsel, counsel for the Underwriter, the Landowners, counsel for the Landowners, and the District Engineer relative to the Limited Offering Memoranda (as defined herein) and the related documents described as follows:

the Bond Purchase Contract, the Indenture, the DTC Letter of Representations, and the Continuing Disclosure Agreement (collectively, the "**Financing Documents**");

the Development Acquisition Agreement dated as of the Closing Date (the "**Acquisition Agreement**") by and between the District and EPG-Two Rivers, LLC, a Florida limited liability company, EPG Two Rivers I, LLC, a Florida limited liability company, EPG Two Rivers II, LLC, a Florida limited liability company, EPG Two Rivers IV, LLC, a Florida limited liability company, EPG Two River Holdings VII, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VIII, LLC, a Florida limited liability company (collectively, the "**Landowners**"), the Agreement to Convey or Dedicate dated as of the Closing Date by and between the District and the Landowners (the "**Conveyance Agreement**"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2023 Project dated as of the Closing Date and by and between the District and the Landowners (the "**Collateral Assignment**"), the Funding and Completion Agreement dated as of the Closing Date by and between the District and the Landowners (the "**Completion Agreement**"), and the True-Up Agreement dated as of the Closing Date and in recordable form by and between the District and the Landowners (the "**True-Up Agreement**" and collectively with the Acquisition Agreement, Conveyance Agreement, Collateral Assignment, and Completion Agreement referred to herein as the "**Ancillary Agreements**");

Resolutions Nos. 2022-22 and 2023-[] adopted by the Board of Supervisors of the District (the "**Board**") on December 17, 2021 and [July 18], 2023, respectively (collectively, the "**Bond Resolutions**"); and

Resolution Nos. [2023-__, 2023-__, and 2023-__, adopted by the Board on _____, 20__, _____, 20__, and _____, 20__], respectively (collectively, the "**Assessment Resolutions**").

Based on the foregoing, we are of the opinion that:

1. The District has been established and validly exists as a community development district, independent local unit of special purpose government and political subdivision under applicable Florida law.
2. The Financing Documents, the Ancillary Agreements, and the use of the uniform method for the collection of non-ad valorem assessments pursuant to Section 197.3632, Florida Statutes, as amended, and the Series 2023 Bonds have been duly authorized, executed, and delivered by the District.
3. Assuming due execution by the other party(ies) thereto, if applicable, the Financing Documents, the Ancillary Agreements, the Series 2023 Bonds, the Bond Resolutions, and the Assessment Resolutions constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth therein may be limited by bankruptcy,

insolvency, and similar laws affecting creditors' rights generally and general principles of equity.

4. There is no litigation or other proceeding now pending of which the District or its registered agent has received notice or service of process, or to our best knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2023 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2023 Special Assessments or the pledge of and lien on the Series 2023 Pledged Revenues pursuant to the Indenture; (c) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District relating to authorization for the issuance of the Series 2023 Bonds or the authorization of the Series 2023 Project, the Bond Resolutions, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, or the application of the proceeds of the Series 2023 Bonds for the purposes set forth in the Limited Offering Memoranda; (d) specifically contesting the federal or state tax status of the Series 2023 Bonds; or (e) contesting the completeness or accuracy of the Limited Offering Memoranda (except for permitted omissions with respect to the Preliminary Limited Offering Memorandum as defined herein) or any supplement or amendment thereto.
5. The District has duly authorized and delivered the Preliminary Limited Offering Memorandum dated [____], 2023 (the "**Preliminary Limited Offering Memorandum**"), and duly authorized, execute and delivered the Limited Offering Memorandum dated [____], 2023 (the "**Limited Offering Memorandum**" and, together with the Preliminary Limited Offering Memorandum, collectively, the "**Limited Offering Memoranda**").
6. Based upon our representation of the District as its Counsel and our limited participation in the preparation of the Limited Offering Memoranda, we have no reason to believe that the statements and information contained in the Limited Offering Memoranda under the captions (including all subcaptions thereunder unless hereinafter excluded) "INTRODUCTION," "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT – Landowners' Agreements" (solely as it relates to a description of such agreements with the District), "AGREEMENT BY THE STATE," "LITIGATION – The District," "DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL" are not true and accurate and as of their respective dates did not, and as of the date of Closing do not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

7. The District is not, in any manner material to the issuance of the Series 2023 Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state "Blue Sky" or other securities laws, as may be applicable.
8. The execution and delivery of the Series 2023 Bonds, the Financing Documents, the Ancillary Agreements, to which the District is a party, and the adoption of the Bond Resolutions and the Assessment Resolutions and compliance with the provisions on the District's part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Series 2023 Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Series 2023 Bonds, the Financing Documents or the Ancillary Agreements.
9. To the best of our knowledge after investigation, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Limited Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, state "Blue Sky" laws or other securities laws.
10. The District has the right and authority under the Act and other state law to adopt the Bond Resolutions and the Assessment Resolutions, to issue the Series 2023 Bonds, to undertake the Series 2023 Project, to levy the Series 2023 Special Assessments that will secure the Series 2023 Bonds, and has duly adopted the Bond Resolutions and the Assessment Resolutions.
11. All proceedings undertaken by the District with respect to the Series 2023 Special Assessments securing the Series 2023 Bonds, including adoption of the Assessment Resolutions, were undertaken in accordance with Florida law, and the District has taken all

necessary action as of the date hereof to levy and impose the Series 2023 Special Assessments. The Series 2023 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2023 Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid (except for federal liens, titles, and claims).

12. The Series 2023 Bonds have been validated by a final judgment of the Circuit Court in and for Pasco County, Florida, of which no timely appeal was filed.
13. The District has the full power and authority to own and operate the Series 2023 Project.
14. All conditions prescribed in the Indenture and the Bond Purchase Contract to be performed by the District as precedent to the issuance of the Series 2023 Bonds have been fulfilled.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. Other than the signatures of District officers and members of the Board, we have also assumed the genuineness of the signatures appearing on such public records, certifications, documents and proceedings. We have also assumed the due authorization, execution and delivery of each document by each of the other respective parties thereto.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

The opinions or statements expressed above are based solely on the laws of Florida and the United States of America, excluding matters of compliance with or applicability of tax laws, "Blue Sky" laws or other securities laws. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of any other state or jurisdiction.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

Very truly yours,

Re: \$[____] Two Rivers West Community Development District (Pasco County,
Florida) Special Assessment Bonds, Series 2023 (Series 2023 Project) (the "**Bonds**")

Ladies and Gentlemen:

I am counsel to EPG-Two Rivers, LLC, a Florida limited liability company, EPG Two Rivers I, LLC, a Florida limited liability company, EPG Two Rivers II, LLC, a Florida limited liability company, EPG Two Rivers IV, LLC, a Florida limited liability company, EPG Two River Holdings VII, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VIII, LLC, a Florida limited liability company (collectively, the "Landowners"), which are the owners of all of the assessable lands within Two Rivers West Community Development District (the "District") located in unincorporated Pasco County, Florida, and being developed, together with other lands owned by affiliates of the Landowners, as the master-planned community commonly referred to as "Two Rivers," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Landowners in connection with the issuance by the District of the above-referenced Bonds, as described in the District's Preliminary Limited Offering Memorandum dated [____], 2023 and the District's final Limited Offering Memorandum, dated [____], 2023, including the appendices attached thereto (collectively, the "Limited Offering Memoranda"). It is my understanding that the Bonds are being issued for the purpose of providing moneys, together with other legally available moneys of the District, to: (i) provide funds to pay a portion of the costs of the planning, financing, acquisition, construction, installation and equipping of the Series 2023 Project; (ii) fund a deposit to the Series 2023 Reserve Account in the amount of the Series 2023 Reserve Requirement; and (iii) pay the costs of issuance of the Bonds. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Limited Offering Memoranda.

In my capacity as counsel to the Landowners, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Funding and Completion Agreement dated as of the Closing Date, by and between the District and the

Landowners (the "Completion Agreement"), the Agreement to Convey or Dedicate dated as of the Closing Date by and between the District and the Landowners (the "Conveyance Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2023 Project dated as of the Closing Date and in recordable form by and between the District and the Landowners (the "Collateral Assignment"), the True-Up Agreement between the District and the Landowners dated as of the Closing Date in recordable form (the "True-Up Agreement"), the Declaration of Consent to Jurisdiction of Two Rivers West Community Development District and Imposition of Special Assessments and Imposition of Lien of Record by the Landowners dated as of the Closing Date, the Certificate of the Landowners dated as of the Closing Date, and the Continuing Disclosure Agreement dated as of the Closing Date, by and among the District, the Landowners, and Inframark, LLC, as dissemination agent (the "Dissemination Agent") (collectively, the "Documents"), and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined the Landowners; respective Operating Agreements, Articles of Organization filed with the Florida Division of Corporations, and certificates of good standing issued by the State of Florida on December [____], 2022 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Landowners) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of the Landowners, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. Each of the Landowners is a limited liability company organized and existing under the laws of the State of Florida.
2. The Landowners have the power to conduct their business and to undertake the development and sale of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Landowners and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Landowners, enforceable in accordance with their respective terms.
4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE

LANDOWNERS," "LITIGATION – The Landowners" and "CONTINUING DISCLOSURE" (as it relates to the Landowners only), does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Landowners do not violate (i) the Landowners' respective operating agreements, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which any of the Landowners is a party or by which any of their respective assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Landowners or any of their respective assets.

6. Nothing has come to my attention that would lead me to believe that the Landowners are not in compliance in all material respects with all provisions of applicable law in all material matters relating to the Landowners as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Landowners have not received all government permits required in connection with the construction and completion of the development of the Series 2023 Project and the lands in District as described in the Limited Offering Memoranda, other than certain permits, which permits are expected to be received as needed, have been received; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Landowners' ability to complete development of the Series 2023 Project and the lands in the District as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the Series 2023 Project and the lands in District as described in the Limited Offering Memoranda will not be obtained in due course as required by the Landowners.

7. To the best of my knowledge after due inquiry, the levy of the Series 2023 Special Assessments on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which any of the Landowners is a party or to which any of the Landowners or their respective properties or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending or threatened which would prevent or prohibit the development of the Series 2023 Project and the lands in the District in accordance with the description thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto as an Appendix or which may result in any material adverse change in the respective business, properties, assets or financial condition of the Landowners.

9. To the best of my knowledge after due inquiry, none of the Landowners has made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, none of the Landowner has indicated its consent to, or approval of, or failed to object timely to,

any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Landowners are not in default under any mortgage, trust indenture, lease or other instrument to which any of their respective assets are subject, which default would have a material adverse effect on the Bonds or the development of the Series 2023 Project and the lands in the District.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Capitalized terms used, but not defined, herein shall have the meaning assigned thereto in the Purchase Contract or in the Limited Offering Memoranda (defined below), as applicable.

2. Each of the Landowners is a limited liability company organized and existing under the laws of the State of Florida.

3. Representatives of the Landowners have provided information to the District to be used in connection with the offering by the District of its Series 2023 Bonds, pursuant to a Preliminary Limited Offering Memorandum dated [____], 2023 and the Limited Offering Memorandum, dated [____], 2023, including the appendices attached thereto (collectively, the "Limited Offering Memoranda").

4. 5. The Landowners have reviewed and approved the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE

LANDOWNERS," "LITIGATION – The Landowners" and "CONTINUING DISCLOSURE" (with respect to the Landowners only), and warrant and represent that such information did not as of their respective dates, and does not as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. In addition, the Landowners are not aware of any other information in the Limited Offering Memoranda that contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

6. Each of the Landowners represents and warrants that, to its knowledge, it has complied with and will continue to comply with Chapter 190.048, Florida Statutes, as amended.

7. As of the date hereof, there has been no material adverse change in the respective businesses, properties, assets or financial conditions of the Landowner which would have a material adverse effect on the consummation of the transactions contemplated by the Documents or on the District Lands owned by the Landowners, which has not been disclosed in the Limited Offering Memoranda or in the other information provided in writing by the Landowners to the Underwriter.

8. The Landowners hereby represent that they own all of the assessable lands in the District that will be subject to the Series 2023 Special Assessments as described in the Limited Offering Memoranda. The Landowners hereby consent to the levy of the Series 2023 Special Assessments on the lands within the District that are owned by the Landowners. The levy of the Series 2023 Special Assessments on the District Lands will not conflict with or constitute a breach of or default under any agreement, mortgage, lien or other instrument to which the Landowners, or any of them, are a party or to which their respective properties or assets are subject.

9. None of the Landowners has made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. None of the Landowners has indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. The Landowners acknowledge that the Bonds have the debt service requirements set forth in the Limited Offering Memorandum and that the Series 2023 Special Assessments will be levied by the District at times, and in amounts sufficient, to enable the District to pay debt service on the Bonds when due.

10. To the best of their knowledge, the Landowners are not in default under any resolution, ordinance, agreement or indenture, mortgage, lease, deed of trust, note or other instrument to which the Landowners, or any of them, are subject or by which the Landowners or any of their respective properties are or may be bound, which would have a material adverse effect on the consummation of the transactions contemplated by the Documents or on the development of the District Lands owned by the Landowners. The Landowners are not delinquent in the

payment of any ad valorem, federal or state taxes associated with the District Lands owned by the Landowners.

11. Except as otherwise disclosed in the Limited Offering Memoranda, there is no action, suit or proceedings at law or in equity by or before any court or public board or body pending or, solely to the best of the Landowners' knowledge, threatened against the Landowners, or any of them (or any basis therefor), (a) seeking to restrain or enjoin the execution or delivery of Documents, (b) contesting or affecting the validity or enforceability of the Documents, or the transactions contemplated thereunder, (c) contesting or affecting the establishment or existence of the Landowners, or of the Landowners' respective businesses, assets, properties or conditions, financial or otherwise, or contesting or affecting any of the powers of the Landowners, or any of them; or (d) which would materially and adversely affect the ability of the Landowners to pay the Series 2023 Special Assessments imposed against the land within the District owned by the Landowners or materially and adversely affect the ability of the Landowners, or any of them, to perform their various obligations described in the Limited Offering Memoranda.

12. To the best of their knowledge after due inquiry, the Landowners are in compliance in all material respects with all provisions of applicable law in all material matters relating to the development of the District Lands owned by it as described in the Limited Offering Memoranda, including, without limitation, applying for all necessary permits. Except as otherwise described in the Limited Offering Memoranda (a) the District Lands are zoned and properly designated for their intended use; (b) all government permits for the District Lands other than certain permits, which permits are expected to be received as needed, have been received; (c) the Landowners are not aware of any default of any zoning condition, permit or development agreement which would adversely affect the Landowners' ability to complete or cause the completion of the District Lands as described in the Limited Offering Memoranda and all appendices thereto; and (d) there is no reason to believe that any permits, consents and licenses required to complete the Series 2023 Project or the development of the District Lands as described in the Limited Offering Memoranda will not be obtained as required.

13. The Landowners each acknowledge that they will have no rights under Chapter 170, Florida Statutes, as amended, to prepay, without interest, the Series 2023 Special Assessments imposed on their respective lands within the District within thirty (30) days following completion of the Series 2023 Project and acceptance thereof by the District; provided, however, nothing herein shall limit the rights of property owners to prepay the Series 2023 Series Assessments with interest as set forth in the Assessment Proceedings.

14. The Landowners have entered into prior continuing disclosure obligations in connection with SEC Rule 15c2-12, and the information presented in the Limited Offering Memoranda under the heading "CONTINUING DISCLOSURE" (at it relates to the Landowners only) accurately reflects the continuing disclosure history of the Landowners.

15. The Landowners are not insolvent and are not in default of any obligations to pay special assessments.

PRELIMINARY LIMITED OFFERING MEMORANDUM DATED [____], 2023

NEW ISSUE - BOOK-ENTRY ONLY
LIMITED OFFERING

NOT RATED

In the opinion of GrayRobinson, P.A., Bond Counsel, under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the District described herein, interest on the Series 2023 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel, is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. However, for taxable years beginning after December 31, 2022, interest on the Series 2023 Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the "adjusted financial statement income" of such corporations. In the opinion of Bond Counsel, interest on the Series 2023 Bonds will not be subject to taxation under the laws of the State of Florida, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein. See "TAX MATTERS" herein regarding certain other tax considerations.

**TWO RIVERS WEST COMMUNITY DEVELOPMENT DISTRICT
(PASCO COUNTY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2023
(SERIES 2023 PROJECT)**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the Two Rivers West Community Development District (the "District") of its \$[7,350,000]* Special Assessment Bonds, Series 2023 (Series 2023 Project) (the "Series 2023 Bonds").

THE SERIES 2023 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2023 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2023 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2023 Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2021-41 of the Board of County Commissioners of the Pasco County, Florida (the "County"), adopted on December 7, 2021 and effective as of December 9, 2021 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 1,641.903 gross assessable acres of land (the "District Lands") located entirely within an unincorporated portion of the County. The District Lands contain a portion of the master-planned mixed-use community to be known as "Two Rivers" (the "Master Development"). The Master Development consists of 3,400 acres of land and is planned to contain approximately (i) 4,575 single-family residential units (ii) 1,200 multifamily rental units and (iii) 3,300,000 square feet of commercial uses. The portion of the Master Development within the District is referred to herein as the "Development." At buildout, the Development is currently planned to contain approximately

* Preliminary, subject to change.

[2,177] single-family detached, villa and townhome lots, and associated infrastructure and amenities. The Development is being developed in phases. See "THE DEVELOPMENT" herein for more information.

The District previously issued its Bond Anticipation Note (as defined herein) to fund the acquisition and construction of certain offsite master improvements and associated costs (the "BAN Project"). The District subsequently issued its Series 2022 Bonds (as defined herein) to refund the Bond Anticipation Note and to finance certain master and offsite infrastructure improvements associated with the first phase of land development within the Development (the "Series 2022 Project"), which first phase is planned to contain 756 single-family detached lots (the "Series 2022 Project Area"). See "–Update on the Development" below. See "THE DISTRICT – Outstanding Indebtedness" and "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein for more information regarding the District's indebtedness and its Capital Improvement Plan and "THE DEVELOPMENT – Update on the Development" for more information regarding the status of Development within the District Lands.

The Series 2022 Bonds are secured by the Series 2022 Special Assessments, which were initially levied on all of the District Lands and which are being allocated to the first 1,107.75 equivalent assessment units (EAUs) associated with either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology (as defined herein), the Series 2022 Special Assessments will be fully assigned prior to any future Special Assessments. Currently, a portion of the Series 2022 Special Assessments have been assigned to tracts closed with homebuilders containing the 756 lots planned for the Series 2022 Project Area. The remaining unassigned Series 2022 Special Assessments will be assigned to the next 16.25 EAUs within the District to close with homebuilders, which are expected to correspond to thirteen (13) of the twenty-one (21) 50' single-family lots planned for the Series 2023 Project Area (as defined herein). See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

The Series 2023 Bonds are being issued to finance a portion of the Series 2023 Project (as defined herein), which consists of master and offsite public infrastructure improvements associated with the next phase of land development (the "Series 2023 Project Area"). The Series 2023 Project Area is planned to contain 308 homes at buildout, corresponding to Parcels C-2, D-2 and E (Villas). See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein for more information.

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on approximately [_____] acres of land within the District, which acreage contains all of the parcels within the District that have not closed with homebuilders. Such land is planned to contain approximately [1,502] homes at buildout. Once the Series 2022 Special Assessments have been fully assigned, the Series 2023 Special Assessments will be assigned to parcels at closing with third-party homebuilders on the basis of the development rights associated with such parcels and will thereafter be assigned to platted lots within such parcels, all in accordance with the Assessment Methodology. The Series 2023 Special Assessments are expected to be assigned to 295 of the 308 lots planned for the Series 2023 Project Area. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS."

Proceeds of the Series 2023 Bonds will be used for the purpose of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2023 Project, (ii) funding a deposit to the Series 2023 Reserve Account in the amount of the Series 2023 Reserve Requirement, and (iii) paying the costs of issuance of the Series 2023 Bonds. DESCRIPTION OF THE SERIES 2023 BONDS

General Description

The Series 2023 Bonds are being issued only in fully registered form, in denominations of \$5,000 or any integral multiples thereof (an "Authorized Denomination"). The Series 2023 Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds.

The Series 2023 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2023 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing [November 1, 2023]. Interest on the Series 2023 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to [November 1, 2023], in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2023 Bonds will be computed in all cases on the basis of a 360 day year consisting of twelve 30-day months.

Upon initial issuance, the ownership of the Series 2023 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), and purchases of beneficial interests in the Series 2023 Bonds will be made in book-entry only form. As long as the Series 2023 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2023 Bonds ("Beneficial Owners"). Principal and interest on the Series 2023 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the District. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2023 Bonds, through DTC Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of the Series 2023 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2023 Bonds may be exchanged for an equal aggregate principal amount of Series 2023 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

U.S. Bank Trust Company, National Association is the Trustee, Bond Registrar and Paying Agent for the Series 2023 Bonds.

If such optional redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

Upon any redemption of Series 2023 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2023 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2023 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) From Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account following the payment in whole or in part of Series 2023 Special Assessments on any assessable property within the District in accordance with the provisions of the Third Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount as a result of such Series 2023 Prepayment and pursuant to the Third Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level; or

(ii) From moneys, if any, on deposit in the Series 2023 Funds, Accounts and Subaccounts (other than the Series 2023 Rebate Fund and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; or

(iii) Upon the Completion Date, from any funds remaining on deposit in the Series 2023 Acquisition and Construction Account therein not otherwise reserved to complete the Series 2023 Project and transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account. If such redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

As used herein, "Quarterly Redemption Date" shall mean each February 1, May 1, August 1, and November 1 of any calendar year. Except as otherwise provided in the Indenture, if less than all of the Series 2023 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2023 Bonds or portions of the Series 2023 Bonds to be redeemed by lot as provided in the Indenture. Partial redemptions of Series 2023 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2023 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2023 Bond. Reference is hereby specifically made to "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" for additional details concerning the redemption of Series 2023 Bonds.

Notice of Redemption

When required to redeem or purchase Series 2023 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2023 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2023 Bonds for which notice was duly mailed in accordance with the Indenture. A conditional notice of redemption is permitted to be given pursuant to the Indenture.

Purchase of Series 2023 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2023 Sinking Fund Account to the purchase of the Series 2023 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry System

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the District does not make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

DTC will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2023 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law,

a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2023 Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Series 2023 Bonds are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, the Series 2023 Bonds will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

THE SERIES 2023 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2023 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2023 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2023 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2023 BONDS. THE SERIES 2023 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2023 Special Assessments levied and collected on the assessable lands within the District benefitted by the Series 2023 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Third Supplemental Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The "Series 2023 Special Assessments" are the Special Assessments levied on the assessable District Lands as a result of the District's acquisition and/or construction of the Series 2023 Project, corresponding in amount to the debt service on the Series 2023 Bonds and designated as such In the methodology report relating thereto. "Special Assessments" shall mean (a) the net proceeds derived from the levy and collection of "special assessments," as provided for in Sections 190.011(14) and 190.022 of the Act against District Lands that are subject to assessment as a result of a particular Project or any portion thereof or against one or more identified Assessment Areas, and (b) the net proceeds derived from the levy and collection of "benefit special assessments," as provided for in Section 190.021(2) of the Act, against the lands within the District that are subject to assessment as a result of a particular Project or any portion thereof, and in case of both "special assessments" and "benefit special assessments," including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act and Chapter 170, Florida Statutes, and Chapter 197, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection of such assessments or from the issuance and sale of tax certificates with respect to such assessments, less (to the extent applicable) the fees and costs of collection thereof payable to the Tax Collector and less certain administrative costs payable to the Property Appraiser pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act. The Series 2023 Bonds are not secured by Special Assessments other than the Series 2023 Special Assessments on the District Lands.

"Assessment Proceedings" shall mean the proceedings of the District with respect to the establishment, levy and collection of the Series 2023 Special Assessments, including the Assessment Resolution and any supplemental proceedings undertaken by the District with respect to the Series 2023 Special Assessments.

Non-ad valorem assessments, such as the Series 2023 Special Assessments, are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2023 Special Assessments will constitute a lien against the land as to which the Series 2023 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2023 Special Assessments

The District will covenant in the Indenture to comply with the terms of the proceedings heretofore adopted with respect to the Series 2023 Special Assessments, including the Assessment Methodology, and to levy and collect the Series 2023 Special Assessments and any required true-up payments set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2023 Bonds when due. The District will further agree that it shall not amend the Assessment Methodology in any material manner without the written consent of the Majority Owners.

If any Series 2023 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2023 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2023 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. See "BONDOWNERS RISKS – Inadequacy of Reserve Account." In case any such subsequent Series 2023 Special Assessment shall also be annulled, the District shall obtain and make other Series 2023 Special Assessments until a valid Series 2023 Special Assessment shall be made.

Prepayment of Series 2023 Special Assessments

Pursuant to the proceedings of the District relating to the levy of the Series 2023 Special Assessments (the "Assessment Proceedings"), any owner of land against which an Series 2023 Special Assessment has been levied may pay the principal balance of such Series 2023 Special Assessment, in whole or in part at any time, if there is also paid an amount equal to the interest that would otherwise be due on such balance to the earlier of the next succeeding interest payment date, which is at least 45 days after the date of payment.

Pursuant to the Act, an owner of property subject to the levy of Series 2023 Special Assessments may pay the entire balance of the Series 2023 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2023 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Series 2023 Project pursuant to Chapter 170.09, Florida Statutes. The Landowners will waive this right in connection with the issuance of the Series 2023 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2023 Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of Series 2023 Special Assessments by property owners.

Limitation on Issuance of Additional Bonds

In the Third Supplemental Indenture, the District will covenant as follows:

(a) The District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds.

(b) Prior to the Series 2023 Special Assessments being assigned to either (i) platted lots or (ii) undeveloped, permitted parcels upon the closing of such parcel(s) with a homebuilder, pursuant to the

Assessment Methodology, the District shall be authorized to issue additional Bonds secured by Special Assessments levied against the assessable District Lands to finance public infrastructure improvements, provided that the total annual Special Assessments levied for each planned, permitted unit within the District do not exceed \$32.50 per front foot (exclusive of collection costs and discount for early payment), taking into account Special Assessments levied to secure previously issued Bonds, including the Series 2022 Special Assessments and the Series 2023 Special Assessments.

(c) Notwithstanding the limitation set forth in paragraph (b) above, the District may issue other Bonds or other debt obligations for any capital project without limit at any time after the Series 2023 Special Assessments have been Substantially Absorbed. "Substantially Absorbed" means the date at least [90%] of the principal portion of the Series 2023 Special Assessments have been assigned to residential units within the District Lands that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed.

(d) Notwithstanding any of the foregoing, the District shall not be precluded from imposing Special Assessments or non-ad valorem assessments on District Lands (i) for the health, safety, and welfare of the District's residents or for purposes of remediating any natural disaster, catastrophic damage, or failure that has occurred with respect to any capital project or any component thereof or (ii) upon the written consent of the Majority Holders.

Notwithstanding the above paragraphs to the contrary, certain operation and maintenance assessments have and will continue to be levied upon the same lands subject to the Series 2023 Special Assessments; however, such assessments will not be available to pay debt service on the Series 2023 Bonds. The Series 2023 Special Assessments and the operation and maintenance assessments will have coequal lien status on the District Lands. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

Acquisition and Construction Account

Pursuant to the Third Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee an "Series 2023 Acquisition and Construction Account." Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Acquisition and Construction Account in the amount set forth in the Third Supplemental Indenture, together with any moneys transferred or deposited thereto, including moneys transferred from the Series 2023 Reserve Account after satisfaction of each of Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement (as defined herein), and such moneys shall be applied as set forth in the Indenture and the Acquisition Agreement. Funds on deposit in the Series 2023 Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Series 2023 Project. See "Series 2023 Reserve Account" herein for more information regarding Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement.

After the Completion Date for the Series 2023 Project, and after retaining costs to complete the Series 2023 Project, any moneys remaining in the Series 2023 Acquisition and Construction Account shall be transferred to the Series 2023 General Redemption Subaccount, as directed in writing by the District, or the District Manager on behalf of the District, to the Trustee. After no funds remain therein, the Series 2023 Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the Series 2023 Acquisition and Construction Account shall not be closed until after both Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement shall have occurred and the excess funds from the Series 2023 Reserve Account shall have been transferred to the Series 2023

Acquisition and Construction Account and applied in accordance with the Third Supplemental Indenture. The Trustee shall not be responsible for determining the amounts in the Series 2023 Acquisition and Construction Account allocable to the respective components of the Series 2023 Project.

The Trustee shall make no such transfers from the Series 2023 Acquisition and Construction Account to the Series 2023 General Redemption Subaccount if an Event of Default exists with respect to the Series 2023 Bonds of which the Trustee has notice or actual knowledge as described in the Master Indenture. Except as provided in the Third Supplemental Indenture with respect to mandatory redemption of the Series 2023 Bonds after the Completion Date or with respect to use of the Series 2023 Acquisition and Construction Account following an Event of Default, the Trustee shall withdraw moneys from the Series 2023 Acquisition and Construction Account only upon presentment to the Trustee of a properly signed requisition in substantially the form attached as an exhibit to the Third Supplemental Indenture.

Reserve Account

Pursuant to the Third Supplemental Indenture, there is established within the Debt Service Reserve Fund an Series 2023 Reserve Account, in which proceeds of the Series 2023 Bonds will be deposited in an amount equal to the Series 2023 Reserve Account Requirement. See "ESTIMATED SOURCES AND USES OF SERIES 2023 BOND PROCEEDS" herein.

The "Series 2023 Reserve Account Requirement" or "Reserve Requirement" shall mean (i) initially, an amount equal to the maximum annual debt service on the Series 2023 Bonds on their date of issuance; (ii) upon the occurrence of Condition #1 for Reduction of Reserve Requirement, fifty percent (50%) of the maximum annual debt service on the Series 2023 Bonds; and (iii) upon the occurrence of Condition #2 for Reduction of Reserve Requirement, ten percent (10%) of the maximum annual debt service on the Series 2023 Bonds. Upon satisfaction of Condition #1 for Reduction of Reserve Requirement or Condition #2 for Reduction of Reserve Requirement, as applicable, such excess amount shall be released from the Series 2023 Reserve Account and transferred to the Series 2023 Acquisition and Construction Account in accordance with the provisions of the Third Supplemental Indenture. For the purpose of calculating the Series 2023 Reserve Requirement, maximum annual debt service, fifty percent (50%) of maximum annual debt service, or ten percent (10%) of maximum annual debt service, as the case may be, shall be calculated as of the date of the original issuance and delivery and recalculated in connection with each extraordinary mandatory redemption of the Series 2023 Bonds from Series 2023 Prepayment Principal as set forth herein (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2023 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2023 Prepayment Subaccount in accordance with the provisions of the Third Supplemental Indenture. Amounts on deposit in the Series 2023 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2023 Bonds, be used to pay principal of and interest on the Series 2023 Bonds at that time. Initially, the Series 2023 Reserve Requirement shall be equal to \$[_____].

"Condition #1 for Reduction of Reserve Requirement" with respect to the Series 2023 Bonds shall mean collectively (i) all of the principal portion of the Series 2023 Special Assessments has been assigned to either platted lots or unplatted tracts that, in either case, have been sold and closed to homebuilders, as certified by the District Manager, and (ii) there shall be no Events of Default under the Indenture with respect to the Series 2023 Bonds, as certified by the District Manager. The District shall present the Trustee with the certifications of the District Manager regarding the satisfaction of the Condition #1 for Reduction of Reserve Requirement, and the Trustee may rely conclusively upon such certifications and shall have no duty to verify the same.

"Condition #2 for Reduction of Reserve Requirement" with respect to the Series 2023 Bonds shall mean collectively (i) all of the principal portion of the Series 2023 Special Assessments has been assigned to residential units within the District that have been constructed and have each received certificates of occupancy, as certified by the District Manager, and (ii) there shall be no Events of Default under the Indenture with respect to the Series 2023 Bonds, as certified by the District Manager. The District shall present the Trustee with the certifications of the District Manager regarding the satisfaction of the Condition #2 for Reduction of Reserve Requirement, and the Trustee may rely conclusively upon such certifications and shall have no duty to verify the same.

Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount set forth in the Third Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account shall be applied for the purposes provided in the Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant not to substitute the cash and Investment Securities on deposit in the Series 2023 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2023 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings to the Series 2023 Revenue Account in accordance with the Third Supplemental Indenture.

In the event of a prepayment of Series 2023 Special Assessments in accordance with the Third Supplemental Indenture, forty-five (45) days before the next Quarterly Redemption Date, the Trustee after receiving the written direction of the District described in the Third Supplemental Indenture, the Trustee shall recalculate the Series 2023 Reserve Requirement taking into account the amount of Series 2023 Bonds that will be outstanding as a result of such prepayment of Series 2023 Special Assessments, and cause the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement, resulting from Series 2023 Prepayment Principal, to be transferred to the Series 2023 Prepayment Subaccount to be applied toward the extraordinary redemption of Series 2023 Bonds in accordance with the extraordinary mandatory redemption provisions set forth in an exhibit attached to the Third Supplemental Indenture, as a credit against the Series 2023 Prepayment Principal otherwise required to be made by the owner of such property subject to Series 2023 Special Assessments. Upon satisfaction of each of Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement, the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement shall then be transferred to the Series 2023 Acquisition and Construction Account and applied as provided in the Third Supplemental Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2023 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2023 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2023 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2023 Revenue Account to round up the amount

in the Series 2023 Prepayment Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2023 Revenue Account shall be made to pay interest on and/or principal of the Series 2023 Bonds for the extraordinary mandatory redemption thereof if the deposits required under Section 4.02 FIRST through FIFTH of the Third Supplemental Indenture cannot first be made in full.

Deposit and Application of the Series 2023 Pledged Revenues

Pursuant to the Third Supplemental Indenture, Series 2023 Special Assessments (except for Prepayments of Series 2023 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account established within the Revenue Fund. The Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing [November 1, 2023], to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each [May] 1, commencing [May 1, 2024], to the Series 2023 Sinking Fund Account, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such [May] 1, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2023 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless needed for the purposes of rounding the principal amount of an Series 2023 Bond subject to extraordinary mandatory redemption pursuant to the Third Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of redemption of Series 2023 Bonds from Prepayments on deposit in the Series 2023 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2023 Revenue Account to the Series 2023 Prepayment

Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2023 Bonds, as provided in the Third Supplemental Indenture.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts within the Debt Service Fund, any Series Accounts within the Debt Service Reserve Fund and any Series Account within the Bond Redemption Fund created under the Third Supplemental Indenture only in Government Obligations and other Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Indenture. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" attached hereto.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, Article VII of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

The Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District will agree that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District will acknowledge and agree that, although the Series 2023 Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer: (i) the District will agree that it shall follow the direction of the Trustee in making and election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds, or any rights of the Trustee; (ii) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds, or any rights of the Trustee under the Indenture that are inconsistent with direction from the Trustee; (iii) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (iv) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments pledged to the Affected Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for "maintenance special assessments," and the District shall be free to pursue such a claim in such manner as it shall deem appropriate. Any actions taken by the District in pursuance of its claim for "Maintenance special assessments" in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Affected Special Assessments, whether such claim is pursued by the District or the Trustee provided, however, that the District shall not oppose any relief sought by the District under the authority granted to the Trustee in this Section.

Events of Default and Remedies

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2023 Bonds:

(a) if payment of any installment of interest on any Series 2023 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2023 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which may be determined solely by the Majority Owners of the Series 2023 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2023 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Series 2023 Bonds Outstanding; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if, at any time following issuance of the related series of Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on the District Lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3),

Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Series 2023 Bonds are not subject to acceleration. Upon an occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2023 Bonds pursuant to Article VIII of the Master Indenture shall occur unless all of the Series 2023 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of such Series 2023 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2023 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2023 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2023 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2023 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2023 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2023 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2023 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series 2023 Bonds.

The Holders of a majority in aggregate principal amount of the Outstanding Series 2023 Bonds then subject to remedial proceedings under Article X of the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture. The Trustee shall have no liability as a result of any actions taken upon any such direction of the Holders.

Foreclosure of Series 2023 Assessment Lien

Notwithstanding any other provisions of the Indenture to the contrary, the Indenture provides that the following shall apply with respect to the Series 2023 Special Assessments and Series 2023 Bonds: If any property shall be offered for sale for the nonpayment of any Series 2023 Special Assessments, and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2023 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2023 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the Series 2023 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the District with respect to any action taken pursuant to the Indenture. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2023 Revenue

Account. The District, either through its own actions, or actions caused to be taken through the Trustee, shall agree that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the Series 2023 Bonds within thirty (30) days after the receipt of the request therefore signed by the Majority Holders of the Series 2023 Bonds Outstanding.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the Series 2023 Special Assessments imposed on the District Lands specially benefited by the Series 2023 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY REPORT."

The determination, order, levy, and collection of Series 2023 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Pasco County Tax Collector (the "Tax Collector") or the Pasco County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in a delay in the collection of, or the complete inability to collect, the Series 2023 Special Assessments during any year. Such delays in the collection of Series 2023 Special Assessments, or complete inability to collect Series 2023 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2023 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds. The Act provides for various methods of collection of delinquent Series 2023 Special Assessments by reference to other provisions of the Florida Statutes. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

Uniform Method Procedure

Initially, the Landowners and subsequent landowners will directly pay the Series 2023 Special Assessments to the District. After the lands in District are platted and assigned their respective tax folio numbers, the Series 2023 Special Assessments will be collected pursuant to the Uniform Method (as hereinafter defined). At such times as the Series 2023 Special Assessments are collected pursuant to the Uniform Method of collection, the provisions of this section shall be come applicable. The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method (the "Uniform Method") of collection. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Special Assessments to be levied and then collected in this manner. The District's election to use a certain collection method with respect to the Series 2023 Special Assessments does not preclude it from electing to use another collection method in the future, subject to the provisions of the Indenture. See "—Foreclosure" below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method of collection is utilized, the Series 2023 Special Assessments will be collected together with County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute

a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2023 Special Assessments being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay, all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2023 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2023 Special Assessments to the Trustee for deposit to the 2021 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2023 Special Assessments shall be deposited to the Series 2023 Prepayment Subaccount within the Series 2023 Bond Redemption Account created under the Indenture and applied in accordance therewith.

All County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2023 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2023 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2023 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds.

Under the Uniform Method, if the Series 2023 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2023 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, or (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not

more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2023 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Special Assessments, which are the primary source of payment of the Series 2023 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed,

are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

Foreclosure

The following discussion regarding foreclosure is not applicable if the Series 2023 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2023 Special Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including an Series 2023 Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely that the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage, rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2023 Special Assessments and the ability to foreclose the lien of such Series 2023 Special Assessments upon the failure to pay such Series 2023 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds, and

prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

Concentration of Land Ownership

As of the date hereof, the Landowners own all of the assessable lands within the District that have not previously closed with homebuilders, which are the lands that will initially be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. Payment of the Series 2023 Special Assessments is primarily dependent upon their timely payment by the Landowners and the other future landowners in the District. Non-payment of the Series 2023 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2023 Bonds. See "THE LANDOWNERS" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowners or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2023 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowners and any other landowner to pay the Series 2023 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2023 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Special Assessments and the ability of the District to foreclose the lien of the Series 2023 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2023 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the Series 2023 Special Assessments. The Series 2023 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowners or subsequent landowners will be able to pay the Series 2023 Special Assessments or that they will pay such Series 2023 Special Assessments even though financially able to do so. Neither the Landowners nor any other subsequent landowners have any personal obligation to pay the Series 2023 Special Assessments. Neither the Landowners nor any subsequent landowners are guarantors of payment of any Series 2023 Special Assessments, and the recourse for the failure of the Landowners or any subsequent landowner to pay the Series 2023 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2023 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2023 Special Assessments may ultimately depend on the market value of the land subject to the Series 2023 Special Assessments. While the ability of the Landowners or subsequent landowners to pay the Series 2023 Special Assessments is a relevant factor, the willingness of the Landowners or subsequent landowners to pay the Series 2023 Special Assessments, which may also be affected by the value of the land subject to the Series 2023 Special Assessments, is also an important factor in the collection of Series 2023 Special Assessments. The failure of the Landowners or subsequent landowners to pay the Series 2023 Special Assessments could render the District unable to collect delinquent Series 2023 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2023 Bonds.

Initially, the District Lands subject to the Series 2023 Special Assessments securing the Series 2023 Bonds are also subject to the Series 2022 Special Assessments securing the District's Series 2022 Bonds. See "THE DISTRICT – Outstanding Bonds" herein for more information. THE SERIES 2022 SPECIAL ASSESSMENTS ARE NOT AVAILABLE TO PAY DEBT SERVICE ON THE SERIES 2023 BONDS, AND THE SERIES 2023 SPECIAL ASSESSMENTS WILL NOT BE AVAILABLE TO PAY DEBT SERVICE ON THE SERIES 2022 BONDS. NOTWITHSTANDING THE FOREGOING, HOWEVER, UNTIL SUCH TIME AS THE SERIES 2022 SPECIAL ASSESSMENTS ARE FULLY ASSIGNED TO PLATTED LOTS OR UNPLATTED TRACTS THAT HAVE CLOSED WITH HOMEBUILDERS, THE SERIES 2023 SPECIAL ASSESSMENTS SECURING THE SERIES 2023 BONDS WILL BE LEVIED ON THE SAME DISTRICT LANDS AS THE SERIES 2022 SPECIAL ASSESSMENTS SECURING THE SERIES 2022 BONDS, SO THAT AN EVENT OF DEFAULT UNDER, OR THE EXERCISE OF REMEDIES AGAINST, THE SERIES 2022 BONDS COULD ADVERSELY AFFECT THE SERIES 2023 BONDS.

Pursuant to the Assessment Methodology, the Series 2023 Special Assessments will be assigned after the Series 2022 Special Assessments but prior to any future Special Assessments. Accordingly, the Series 2023 Special Assessments will not be assigned to platted lots or unplatted tracts closed with homebuilders until such time as the Series 2022 Special Assessments have been fully assigned. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further

approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of the District and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2023 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in the District.

The value of the lands subject to the Series 2023 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of the District and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowners. Moreover, the Landowners have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2023 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. Initially, the District Lands subject to the Series 2023 Special Assessments

securing the Series 2023 Bonds are also subject to the Series 2022 Special Assessments securing the District's Series 2022 Bonds. The District also anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2023 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2023 Special Assessment, even though the landowner is not contesting the amount of the Series 2023 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2023 Bonds

The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of the Development and the lands within the District, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2023 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2023 Bonds because of the Series 2023 Reserve Account. The ability of the Series 2023 Reserve Account to fund deficiencies caused by delinquencies in the Series 2023 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2023 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2023 Special Assessments, the Series 2023 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2023 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Special Assessments in order to provide for the replenishment of the Series 2023 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Reserve Account" herein for more information about the Series 2023 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2023 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2023 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an

electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Landowners will certify as to their expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Landowners does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2023 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2023 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2023 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2023 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2023 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2023 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Series 2023 Project will exceed the net proceeds from the Series 2023 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete

the Series 2023 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2023 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Limitation on Issuance of Additional Bonds" for more information.

Although the respective Landowners will agree to fund or cause to be funded the completion of the Series 2023 Project regardless of the insufficiency of proceeds from the Series 2023 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Landowners will have sufficient resources to do so. Such obligation of the Landowners is an unsecured obligation, and the Landowners are special-purpose entities whose assets consist primarily of their respective interests in the District. See "THE LANDOWNERS" herein for more information.

There are no assurances that the Series 2023 Project and any other remaining development work associated with the District will be completed. The Series 2023 Project does not include neighborhood infrastructure for the Series 2023 Project Area, which is expected to be installed by the Builders. Further, there is a possibility that, even if the Series 2023 Project is completed, the Builders may not close on all or any of the tracts and lots therein, and such failure to close could negatively impact the installation of neighborhood infrastructure and the construction and sale of homes in the District. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – The Builder Contracts and the Builders" herein for more information about the Builders and the Builder Contracts.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowners, the timely and successful completion of the Development, the purchase of lands therein by the Builders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2023 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2023 Special Assessments by the Landowners or subsequent owners of the property within the District. Any such redemptions of the Series 2023 Bonds would be at the principal

amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions," "– Purchase of Series 2023 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments" herein for more information.

Payment of Series 2023 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District, which is the issuer of the Series 2023 Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2021-41 of the Board of County Commissioners of the Pasco County, Florida, adopted on December 7, 2021 and effective as of December 9, 2021. The District currently encompasses approximately 1,641.903 acres of land and is located in an unincorporated area of the County. The District Lands are being developed as a portion of the master-planned mixed-use community to be known as "Two Rivers." See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to and established in accordance with the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things: (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things, (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such district roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the "Board"), which is composed of five Supervisors (the "Supervisors"). The Act provides that, at the initial meeting of the landowners,

Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election, the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner. The Landowners currently own all of the District Lands.

The current members of the Board and the expiration of the term of each member are set forth below. [For review]

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Nicholas J. Dister*	Chairperson	November 2024
Carlos de la Ossa*	Vice-Chairperson	November 2026
Thomas Spence*	Assistant Secretary	November 2026
Ryan Motko*	Assistant Secretary	November 2024
Steven Luce*	Assistant Secretary	November 2024

* Employee of, or affiliated with, the Landowners.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Inframark, LLC, a Florida limited liability company, to serve as its district manager ("District Manager"). The District Manager's office is located at 2005 Pan Am Circle, Suite #300, Tampa, Florida 33607, telephone number (813) 397-5121.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of GrayRobinson, P.A., Tampa, Florida, as Bond and Disclosure Counsel; Stantec Consulting Services Inc., Tampa, Florida, as Consulting Engineer; and Straley Robin Vericker P.A., Tampa, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and Dissemination Agent for the Series 2023 Bonds.

Outstanding Bond Indebtedness

The District previously issued its Special Assessment Bond Anticipation Note, Series 2023 (the "Bond Anticipation Note") on January 24, 2022 in the original principal amount of \$11,700,000. The Bond Anticipation Note was redeemed in full from proceeds of the Series 2022 Bonds (defined below).

The District previously issued its Special Assessment Bonds, Series 2022 (the "Series 2022 Bonds") on December 8, 2022 in the original principal amount of \$19,750,000, all of which is currently outstanding. The Series 2022 Bonds are secured by the Series 2022 Special Assessments, which were initially levied on all of the District Lands and which are being allocated to the first 1,107.75 equivalent assessment units (EAUs) associated with either platted lots or unplatted tracts closed with homebuilders. Currently, a portion of the Series 2022 Special Assessments have been assigned to tracts closed with homebuilders containing the 756 lots planned for the Series 2022 Project Area. The remaining unassigned Series 2022 Special Assessments will be assigned to the next 16.25 EAUs within the District to close with homebuilders, which are expected to correspond to thirteen (13) of the twenty-one (21) 50' single-family lots planned for the Series 2023 Project Area. Until such time as the Series 2022 Special Assessments are fully assigned, the unassigned portion of the Series 2022 Special Assessments will be levied on the same District Lands that will be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT

General

Stantec Consulting Services Inc. (the "Consulting Engineer"), prepared the report titled ["Master Report of the District Engineer," dated December 17, 2021 (the "Master Engineer's Report"), as supplemented by the "Report of the District Engineer – Capital Improvement Revenue Bonds, Series 2023" dated July 18, 2023 (the "Supplemental Engineer's Report" and, together with the Master Engineer's Report,] the "Engineer's Report"), which sets forth certain public infrastructure improvements including, but not limited to, offsite improvements, stormwater, utilities (water and sewer), roadways, amenity facilities, landscaping, hardscaping, irrigation and professional services and permitting fees, to be constructed in connection with the development of the District (collectively, the "Capital Improvement Plan").

The District Lands are being developed in phases as a residential development. At buildout, the District Lands are currently planned to contain [2,177] residential units. The Landowners are installing offsite and master infrastructure improvements associated with the development of the District Lands. The Landowners have entered into contracts to sell undeveloped, permitted parcels to homebuilders, who will install parcel infrastructure for their respective parcels.

The District previously issued its Series 2022 Bonds to finance certain master and offsite infrastructure improvements associated with the first phase of land development within the Development (the "Series 2022 Project"), which first phase is planned to contain 756 single-family detached lots (the "Series 2022 Project Area"). The Series 2022 Project is [underway]. As of [_____, 2023], [675 of the 756 lots planned for the Series 2022 Project Area have closed with homebuilders, and installation of parcel infrastructure for such 675 lots is expected to commence imminently]. See "THE DEVELOPMENT – Update on Prior Project Area" herein.

Series 2023 Project

The Engineer's Report estimates the cost of (i) the offsite and master infrastructure improvements required to deliver to the Builders the lands planned for the next 308 lots expected to be developed within the Development, which improvements are being installed by the Landowners and funded in part from proceeds of the Series 2023 Bonds ("Series 2023 Project"), and (ii) the parcel infrastructure associated with the development of such 308 lots, which is expected to be funded by the Builders upon their acquisition of their respective undeveloped parcels. Such 308 lots are referred to herein as the "Series 2023 Project Area." Master infrastructure improvements associated with the Series 2023 Project include [roadway improvements to Morris Bridge Road, entry features, spine roads, master utilities, master earthwork and stormwater management]. The total cost of the Series 2023 Project is estimated at \$[18.5] million, as set forth in more detail below. See "APPENDIX A: ENGINEER'S REPORT" for more information.

Improvement	Master and Offsite Infrastructure (2023 Project)	Parcel Infrastructure (308 Lots)	Total
Water Management and Control	\$ _____	\$ _____	\$ _____
Roads	_____	_____	_____
Water Supply	_____	_____	_____
Sewer and Wastewater Management	_____	_____	_____
Underground of Electrical Service	_____	_____	_____
Landscape/Hardscape/Irrigation	_____	_____	_____
Professional Services and Permitting Fees	_____--	_____--	_____--
Total:	\$ _____	\$ _____	\$ _____

A portion of the Series 2023 Project will be funded with the net proceeds of the Series 2023 Bonds in the approximate amount of \$6.48 million.* Costs of the Series 2023 Project not funded with proceeds of the Series 2023 Bonds are the obligation of the Landowners. The Landowners will agree to fund or cause to be funded the completion of the Series 2023 Project, regardless of the insufficiency of proceeds from the Series 2023 Bonds therefor, and the Landowners will enter into a Completion Agreement with the District as evidence of its completion obligation. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPMENT – Land Acquisition and Finance Plan" herein for more information.

Construction of offsite and master improvements [commenced/will commence] in [_____ 2023] and is expected to be completed by [_____ 202_]. See also "THE DEVELOPMENT – Development Plan and Status" for more information on the development status of the Series 2023 Project and the lands within the Series 2023 Project Area. Construction of parcel infrastructure by the Builders within the Series 2023 Project Area is expected to commence following the Builders' acquisition of their respective parcels. See "THE DEVELOPMENT – The Builder Contracts and the Builders" herein for more information.

The Consulting Engineer has indicated that all permits necessary to develop the Series 2023 Project have been obtained or are expected to be obtained in the ordinary course. See "APPENDIX A: ENGINEER'S REPORT" for more information. In addition to the Engineer's Report, see "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

Inframark, LLC, a Florida limited liability company (the "Methodology Consultant"), has prepared the Master Assessment Methodology Report, dated December 17, 2021, as supplemented by the [Second Supplemental Assessment Methodology Report] dated [July 18, 2023] and included herein as APPENDIX E (collectively, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Series 2023 Special Assessments to be levied against the lands within the District benefited by the Series 2023 Project and collected by the District as a result thereof. Once the final terms of the Series 2023 Bonds are determined, the Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2023 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on an equal-acre basis across [] acres within the District on a co-equal lien basis with the unassigned Series 2022 Special Assessments. As undeveloped, permitted parcels are closed with homebuilders, the Series 2022 Assessments and subsequently the Series 2023 Special Assessments will be assigned to such parcels on the basis of the development rights allocated to such parcels based on the equivalent assessment unit (EAU) factors set forth in the Assessment Methodology. As the land within such parcels is platted, the Series 2023 Special Assessments will thereafter be assigned to the lots within each such parcel on a first-platted, first-assigned basis, all in accordance with the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein. The unassigned Series 2022 Special Assessments will be allocated to the next 16.25 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. The Series 2023 Special Assessments will be allocated to the following 404.25 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology, the Series 2023 Special Assessments will be assigned after the Series 2022 Special Assessments but prior to any future Special Assessments. To the extent additional Bonds are issued prior to the Series 2023 Special Assessments being assigned to either platted lots or unplatted tracts closed with homebuilders, the Series 2023 Special Assessments will be assigned first.

The District expects (but can give no assurance) that the Series 2023 Special Assessments will ultimately be assigned to approximately 295 platted residential lots within the Series 2023 Project. Such lots consist of the 308 lots planned for the Series 2023 Project Area, less approximately 13 lots that are expected to be assigned Series 2022 Special Assessments. Upon final assignment of the Series 2023 Special Assessments to platted lots, the estimated Series 2023 Special Assessments levied to pay debt service on the Series 2023 Bonds, along with the estimated Series 2023 Bonds par amount allocated per unit, are expected to be as follows:

Product	Planned Units	Annual Series 2023 Special Assessment*	Series 2023 Bonds Total Par Per Unit*
Villa 42.5'	108	\$1,381	\$19,318
Single-Family 50'	8	\$1,625	\$22,727
Single-Family 60'	135	\$1,950	\$27,273
Single-Family 70'	44	\$2,275	\$31,818
Total:	295		

* Preliminary, subject to change. The annual Series 2023 Special Assessment collected via the Uniform Method will be subject to a gross up to account for fees of the Property Appraiser and Tax Collector and the statutory early payment discount.

Each homeowner in the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the homeowners' association assessments to be levied by the homeowners' association. The District anticipates levying assessments to cover its operation and administrative costs that will initially be approximately \$1,400 per, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total ad valorem millage rate applicable to the District Lands for tax year 2022 was approximately 15.6884 mills. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Pasco County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE LANDOWNERS" has been furnished by the Landowners for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, Disclosure Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Landowners make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Landowners as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Landowners are not guaranteeing payment of the Series 2023 Bonds or the Series 2023 Special Assessments.

THE DEVELOPMENT

General

The boundaries of the District include a total of approximately 1,641.903 acres of land, which contain a portion of the master-planned mixed-use community to be known as "Two Rivers" (the "Master Development"). The Master Development consists of approximately 3,400 acres of land and is planned to contain (i) 4,575 single-family residential units, (ii) 1,200 multifamily rental units and (iii) 3,300,000 square feet of commercial uses. The Master Development is located in an unincorporated portion of the County at the intersection of US Highway 301 and State Road 56 in the Crystal Springs region of the County, which lies south of Zephyrhills and east of Wesley Chapel. Nearby communities include River Landing, Summerstone, Avalon Park Wesley Chapel, and Zephyr Lakes. The general location of the Master Development is shown below:

Three community development districts have been created to facilitate the financing of the Master Development, including the District. Adjacent to the District are the Two Rivers North Community Development District (the "TRN CDD") and the Two Rivers East Community Development District (the "TRE CDD"). The TRN CDD encompasses approximately 429.2 acres of land and is planned to contain 923 single-family residential homes at buildout. Raw permitted parcels within the TRN CDD planned for all 923 lots were closed with Lennar Homes and D.R. Horton in March 2022 and April 2022, respectively, and development is underway within TRN CDD. The TRE CDD encompasses approximately 645.185 acres of land and is planned to contain 1,466 single-family residential homes at buildout. A raw permitted parcel within TRE CDD planned for approximately [258] lots [has closed / is expected to close in July 2023] with William Ryan, and development of such lands [is underway/is expected to commence ____]. See "–Update on Master Development" herein for more information.

The portion of the Master Development within the District is referred to herein as the "Development." The Development is planned for [2,177] residential units. The District previously issued its Series 2022 Bonds to finance certain master and offsite infrastructure improvements associated with the first phase of land development within the Development (the "Series 2022 Project"), which first phase is planned to contain 756 single-family detached lots (the "Series 2022 Project Area"). The Series 2022 Project is [underway/complete]. As of [_____, 2023], [675 of the 756 lots planned for the Series 2022 Project Area have closed with homebuilders, and installation of parcel infrastructure for such 675 lots is expected to commence imminently]. See "–Update on the Development" below.

The Series 2022 Bonds are secured by the Series 2022 Special Assessments, which were initially levied on all of the District Lands. The Series 2022 Special Assessments will be allocated to the first 1,107.75 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology, the Series 2022 Special Assessments will be fully assigned prior to any future Special Assessments. At the time of issuance of the Series 2022 Bonds, the Series 2022 Project Area was originally planned to contain 770 lots. Due to revisions to the site plan for the Series 2022 Project Area, which resulted in a reduction of density by 16.25 EAUs, it is expected that a portion of the Series 2022 Special Assessments will be assigned to lots within the Series 2023 Project Area. Therefore, after the Series 2022 Special Assessments have been assigned to tracts closed with homebuilders containing the 756 lots planned for the Series 2022 Project Area, the remaining unassigned Series 2022 Special Assessments will be assigned to the next 16.25 EAUs within the District to close with homebuilders. Based on the Landowners' closing timeline projections, such 16.25 EAUs are expected to correspond to thirteen (13) of the twenty-one (21) 50' single-family lots planned for Parcel D-2. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

The Series 2023 Bonds are being issued to finance a portion of the Series 2023 Project, which consists of master and offsite public infrastructure improvements associated with the next phase of land development (the "Series 2023 Project Area"). The Series 2023 Project Area is planned to contain 308 homes at buildout, corresponding to Parcels C-2, D-2 and E (Villas). See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein for more information.

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on approximately [_____] acres of land within the District, which acreage contains all of the parcels within the District that have not closed with homebuilders. Such land is planned to contain approximately [1,502] homes at buildout. Once the Series 2022 Special Assessments have been fully assigned, the Series 2023 Special Assessments will be assigned to parcels at closing with third-party homebuilders on the basis of the development rights associated with such parcels and will thereafter be assigned to platted lots within such parcels, all in accordance with the Assessment Methodology. The Series 2023 Special Assessments are expected to be assigned to 295 of the 308 lots planned for the Series 2023

Project Area. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

[EPG–Two Rivers, LLC, a Florida limited liability company, EPG Two Rivers I, LLC, a Florida limited liability company, EPG Two Rivers II, LLC, a Florida limited liability company, EPG Two Rivers IV, LLC, a Florida limited liability company, EPG Two River Holdings VII, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VIII, LLC, a Florida limited liability company (collectively, the "Landowners"), own the developable land within the District that has not closed with homebuilders, including the land within the Series 2023 Project Area]. See "THE LANDOWNERS" herein. The Landowners are installing offsite and master infrastructure improvements associated with the Development, which are being financed in part from proceeds of the Series 2023 Bonds, and have entered into contracts to sell undeveloped, permitted parcels to homebuilders, as described herein. Homebuilders will receive a development credit to install parcel infrastructure for their respective parcels, as further described below.

The Landowners have entered into contracts with homebuilders for the sale of [1,943] of the [2,177] lots planned within the Development, which include contracts [for the 756 lots planned within the Series 2022 Project Area], and the following contracts for the 308 lots planned for the 2023 Project Area: (i) Homes by Westbay for the sale of lands within Parcel E planned for 108 attached villa lots, (ii) Homes by Westbay for the sale of lands within Parcel C-2 planned for 108 single-family detached lots and (iii) [Pulte] for the sale of lands within Parcel D-2 planned for 92 single-family lots (Homes by Westbay and [Pulte] are collectively referred to herein as the "Builders"). The Builders are expected to begin closing on their respective parcels in the [third] calendar quarter of 2023. The Builders have provided nonrefundable deposits attributable to the purchase of such parcels in the amount of approximately \$[_____], which [have been released to the Landowners]. See "THE DEVELOPMENT – The Builder Contracts and The Contracts" herein for more information.

The Development contains a variety of lot sizes and product types. The Series 2023 Special Assessments are ultimately expected to be assigned to (i) attached villa units ranging in size from [_____] square feet to [_____] square feet, with home prices starting from approximately [\$____,000] and (ii) single-family homes ranging in size from [1,800 square feet to 6,000 square feet], with home prices starting from approximately [\$420,000]. The target market for residents of the Development consist of entry-level homebuyers as well as move-up buyers. Set forth below is a site plan of the Development (labeled as CDD West below), together with TRN CDD (labeled as CDD North below) and TRE CDD (labeled as CDD East below).

Update on the Development

The District issued its Series 2022 Bonds in December 2022 to finance master infrastructure improvements associated with the first phase of the Development (i.e., the Series 2022 Project Area). Within the Series 2022 Project Area, the Landowners sold and closed on (i) a raw permitted parcel planned for approximately 242 lots with Park Square Homes for a purchase price of approximately \$15.9 million in March 2023, [(ii) a raw permitted parcel planned for 100 lots with Homes by West Bay for a purchase price of approximately \$[] in June 2023], and (iii) [a raw permitted parcel planned for approximately 333 lots with M/I Homes for a purchase price of approximately \$[] in June 2023]. Development of such lands is [underway/expected to commence]. In addition, the Landowners have entered into a contract to close on an additional raw permitted parcel within the Series 2022 Project Area planned for [81] lots with [Homes by West Bay], which is expected to close in the [third] quarter of 2023. The builder closings within the Series 2022 Project Area, initially scheduled for the first quarter of 2023, were delayed due to site plan and engineering modifications in an effort to reduce land development costs.

Update on the Master Development

Two Rivers North ("TRN CDD")

The TRN CDD encompasses approximately 429.2 acres of land and is planned to contain 923 single-family residential homes at buildout. The TRN CDD issued bonds in May 2022 to finance master infrastructure improvements associated with the TRN CDD. An affiliate of the Landowners sold and closed on raw permitted parcels planned for all 923 lots within the TRN CDD with Lennar Homes and D.R. Horton in March 2022 and April 2022, for a combined purchase price of approximately \$39,460,000. As of [May 3, 2023], Lennar Homes and D.R. Horton have developed and platted approximately 869 lots within TRN

CDD, [with the remaining 54 lots expected to be platted in June 2023]. Vertical construction is underway. The aerial photograph below shows the status of development in the TRN CDD as of [April 2023]. [Need updated aerial.]

Two Rivers North ("TRN CDD")

The TRE CDD encompasses approximately 645.185 acres of land and is planned to contain approximately 1,461 residential units at buildout. An affiliate of the Landowners owns the land within TRE CDD and has entered into contracts with homebuilders for lands planned for approximately 1,210 single-family lots therein, as developed lots and raw permitted parcels. The TRE CDD issued bonds in May 2023 to finance a portion of the public infrastructure improvements associated with such 1,210 lots. A raw permitted parcel within TRE CDD planned for approximately [258] lots [has closed / is expected to close in July 2023] with William Ryan, and development of such lands [is underway/is expected to commence ____]. Land development for the remaining lands within the TRE CDD is [also] underway, and closings with homebuilders on developed lots within the first phase therein are expected to begin by the [third] quarter of 2024.

Land Acquisition and Finance Plan

The Landowners and their affiliates acquired title to approximately 3,242.454 acres of land within the Master Development in October 2021 for an aggregate purchase price of approximately \$70 million, which included the Landowners' acquisition of all of the developable acres of land within the District, as well as certain lands outside of the District.

An affiliate of the Landowners subsequently sold and closed on approximately 129 acres of land planned for all 923 lots within the TRN CDD for a purchase price of approximately \$39.46 million. In addition, an affiliate of the Landowners sold and closed on approximately 55.7 acres within the Master Development planned for approximately 624 multi-family units for a purchase price of \$25,120,000. Most recently, the Landowners sold and closed on approximately [_____] acres of raw permitted land planned for 675 lots within the Development for an aggregate purchase price of approximately \$[_____] million. See "-Update on the Development" herein.

The approximately [] aggregate acres owned by the Landowners within the Development (planned for [1,502] units) and their affiliates within the TRE CDD (planned for 1,461 units) are subject to cross-collateralized first mortgages securing a loan from KL EIG AIV LLC, a Delaware limited liability company (the "Loan"), to the Landowners and their affiliates. The interest rate on the Loan is 14.75%, subject to adjustment in the event of a default, and the Loan matures on or about [October 22, 2023]. As of [July], 2023, approximately \$[] is outstanding under the Loan. The Loan provides for partial releases (i) of lots, upon payment of a lot release price equal to the greater of seventy percent (70%) of the net sales proceeds from the sale of such lot or the minimum lot release price set forth in the Loan documents, and (ii) of property not constituting a lot upon payment of a release price determined by the lender in its reasonable discretion based upon, among other factors, the outstanding balance of the Loan, the remaining lots subject to mortgages securing the Loan and the sales prices of such lots to third-party buyers. The estimated average release price per lot is approximately \$[34,000], but varies by lot size. The Landowners estimate that approximately \$[47.3 million] in principal amount of the Loan will be repaid from the net proceeds of land sales within the Development and TRE CDD on or before the maturity date of the Loan. The Landowners anticipate that the remaining balance of the Loan, if any, will be either extended, refinanced or paid off by the Landowners.

The Landowners' development plan is to sell undeveloped permitted parcels to homebuilders, who will install the parcel infrastructure. The Landowners are responsible for installing the offsite and master infrastructure associated with the Development. The Landowners estimate that the total offsite and master infrastructure costs constituting the Series 2023 Project will be approximately \$[18.5] million. See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein. Net proceeds of the Series 2023 Bonds will provide approximately \$6.48 million* to fund costs of the Series 2023 Project. The remaining costs will be funded by the Landowners. The Landowners will enter into a completion agreement at closing on the Series 2023 Bonds agreeing to complete the Series 2023 Project.

The Consulting Engineer estimates that the parcel infrastructure costs associated with developing the 308 lots planned for the Series 2023 Project Area will be approximately \$[] million. Such costs are not a part of the Series 2023 Project and will not be part of the Landowners' completion agreement. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein. The parcel infrastructure for the Series 2023 Project Area is expected to be installed by the homebuilders. See "–The Builder Contracts and the Builder Contracts" for more information, including information regarding the Builders' expected development credits.

and assumptions made by the Landowners that are inherently uncertain, though considered reasonable by the Landowners, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Landowners. As a result, there can be no assurance such absorption rates will occur or be realized in the timeframes anticipated.

The Builder Contracts and the Builders

The Landowners are installing offsite and master infrastructure improvements associated with the Development and are under contract to sell undeveloped, permitted parcels to homebuilders. The Landowners have entered into contracts with homebuilders for the sale of [1,943] of the [2,177] lots planned within the Development. The total expected consideration from all the planned lots in the Development is approximately [\$181,676,400], and the Landowners have received a total of [\$23,842,700] in builder deposits for the Development.

In particular, the Landowners have entered into the following contracts for raw permitted parcels containing the 308 lots planned for the Series 2023 Project Area: (i) Homes by Westbay for the sale of lands within Parcel E planned for 108 attached villa lots, (ii) Homes by Westbay for the sale of lands within Parcel C-2 planned for 108 single-family detached lots and (iii) [Pulte] for the sale of lands within Parcel D-2 planned for 92 single-family lots (Homes by Westbay and [Pulte] are collectively referred to herein as the "Builders").

The total expected consideration from the 308 planned for the Series 2023 Project Area is approximately \$[____], as further described below, and the Landowners have received nonrefundable deposits allocable to such lots totaling approximately \$[____]. The Builders will install onsite parcel infrastructure for their respective parcels and will receive a builder development credit against the gross purchase price for their parcel, to be determined at the time of closing. The Landowners estimate that the development credits associated with the 308 lots planned for the Series 2023 Project Area will total approximately \$[____] million.

Set forth below is a table which summarizes the contracts entered into with the Builders for the Series 2023 Project Area (the "Builder Contracts"). Each of the Builder Contracts calls for the sale of undeveloped, permitted parcels to the Builders. For more information please see the discussion below.

Homes by West Bay (Parcel E)

One of the Landowners has entered into an Agreement for the Purchase and Sale of Real Property, dated October 21, 2021, as amended (the "Homes by West Bay Parcel E Contract") with HBWB Development Services, LLC, a Florida limited liability company, an affiliate of Homes by West Bay, LLC, a Florida limited liability company ("Homes by West Bay"), to purchase in a single closing an undeveloped permitted parcel planned for one hundred eight (108) single-family villa lots. The Homes By West Bay Parcel E Contract provides for the purchase price of \$[1,800] per front foot for each planned lot acquired in the initial closing (for an aggregate base purchase price of approximately \$[_____]), less a development credit to be determined at closing. The Homes By West Bay Parcel E Contract also provides for the payment of additional consideration upon the closing of homes with end users, calculated using a formula set forth in the Homes By West Bay Parcel E Contract.

Pursuant to the Homes By West Bay Parcel E Contract, closing shall occur on or before fifteen (15) days after: (a) the Landowners provide Homes by West Bay with a completion notice or (b) the date on which all of the conditions precedent have been satisfied or waived by Homes by West Bay. The deposit [has been released] to the Landowners and is secured by a mortgage in favor of Homes By West Bay. There is a risk that Homes by West Bay may not close on the undeveloped parcel pursuant to the Homes by West Bay Parcel E Contract or may fail to complete development of such parcel or to construct homes on developed lots. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The Landowners previously closed under the Homes by West Bay Parcel C Contract on a parcel of land within the Series 2022 Project Area planned for [100] lots and expect to close on another parcel within the Series 2022 Project Area planned for [81] lots in the third quarter of 2023. The Landowners expect that the [final] closing under the Homes by West Bay Parcel C Contract will be for Parcel C-2, within the Series 2023 Project Area, which is planned for one hundred eight (108) lots in the sizes set forth in the table above. The Homes By West Bay Parcel C Contract provides for the purchase price of \$[1,800] per front foot for each planned lot acquired within Parcel C-2 (for an aggregate base purchase price of approximately \$[_____]), less a development credit to be determined at closing. The Homes By West Bay Parcel C Contract also provides for the payment of additional consideration upon the closing of homes with end users, calculated using a formula set forth in the Homes By West Bay Parcel C Contract.

Pursuant to the Homes By West Bay Parcel C Contract, each closing shall occur on or before fifteen (15) days after: (a) the Landowners provide Homes by West Bay with a completion notice as to the applicable closing or (b) the date on which all of the conditions precedent have been satisfied or waived by Homes by West Bay. The Landowners anticipate that the closing on Parcel C-2 within the Series 2023 Project Area will occur in the [fourth] quarter of [2024(?)].

Pursuant to the terms of the Homes By West Bay Parcel C Contract, Homes By West Bay has made a deposit of \$[3,683,000], which is nonrefundable to Homes by West Bay except upon the occurrence of certain conditions, including a failure by the Landowners to perform thereunder. Upon the initial closing under the Pulte Contract of land planned for approximately [three hundred two (302)? lots], (i) the Series 2022 Special Assessments are expected to be allocated to the land in Parcel [D-2] and, upon platting, to thirteen (13) of the twenty-one (21) 50' single-family lots planned for Parcel D-2, and (ii) the Series 2023 Special Assessments are expected to be allocated to the land in Parcel [D-2] and, upon platting and prior assignment of the Series 2022 Special Assessments, to the remaining two hundred ninety-five (295) lots planned for Parcel D-2 in the sizes set forth in the table above. The Pulte Contract provides for the purchase price of \$[1,650] per front foot for each planned lot acquired in the initial closing (for an aggregate base purchase price of approximately \$[_____]), less a development credit to be determined at closing. The Pulte Contract also provides for the payment of additional consideration upon the closing of homes with end users, calculated using a formula set forth in the Pulte Contract.

Pursuant to the Pulte Contract, each closing shall occur on or before fifteen (15) days after: (a) the Landowners provide Pulte with a completion notice as to the applicable closing or (b) the date on which all of the conditions precedent have been satisfied or waived by Pulte. The Landowners anticipate that the closing will occur in the [third] quarter of 2023.

Pursuant to the terms of the Pulte Contract, Pulte has made a deposit of \$[5,347,000], [which is nonrefundable to Pulte] except upon the occurrence of certain conditions, including a failure by the Landowners to perform thereunder. Development Approvals

The lands within the Master Development are zoned as Master Planned Unit Development ("MPUD"). The Master Development's zoning approval allows for the development therein of up to 6,400 residential units (consisting of 3,875 single-family units, 1,400 multifamily units and 1,125 age-restricted units), 1,335,000 square feet of office/target industry use, 1,355,000 square feet of industrial use and 630,000 square feet of retail use, subject to adjustment as set forth therein. The zoning approval gives control of the allocation, exchange and assignment of development entitlements thereunder to EPG-Two Rivers, LLC, one of the Landowners. The zoning approval contains various conditions and obligations required for development of the land within the Master Development, which include the dedication of park, school and fire station/public safety sites and rights of way.

[The District has received permit approval from the Southwest Florida Water Management District and preliminary construction plan approval from the County for development of the 308 lots planned for the Series 2023 Project Area.] The Consulting Engineer has indicated that all permits necessary to construct the District's Capital Improvement Plan have been or will be received in the ordinary course and will certify to the same upon closing of the issuance of the Series 2023 Bonds. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" for more information about risks relating to development and regulatory requirements.

Environmental

An affiliate of the Landowners obtained a Phase 1 Environmental Site Assessment dated March, 11, 2021, for all of the lands within the Master Development, including the District Lands (the "ESA"). The ESA revealed no recognized environmental conditions ("RECs"). "BONDOWNERS' RISKS – Regulatory

and Environmental Risks" herein for more information regarding potential environmental risks.

Taxes, Fees and Assessments

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on an equal-acre basis across [] acres within the District on a co-equal lien basis with the unassigned Series 2022 Special Assessments. As undeveloped, permitted parcels are closed with homebuilders, the Series 2022 Assessments and subsequently the Series 2023 Special Assessments will be assigned to such parcels on the basis of the development rights allocated to such parcels based on the equivalent assessment unit (EAU) factors set forth in the Assessment Methodology. As the land within such parcels is platted, the Series 2023 Special Assessments will thereafter be assigned to the lots within each such parcel on a first-platted, first-assigned basis, all in accordance with the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein. The unassigned Series 2022 Special Assessments will be allocated to the next 16.25 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. The Series 2023 Special Assessments will be allocated to the following 404.25 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology, the Series 2023 Special Assessments will be assigned after the Series 2022 Special Assessments but prior to any future Special Assessments. To the extent additional Bonds are issued prior to the Series 2023 Special Assessments being assigned to either platted lots or unplatted tracts closed with homebuilders, the Series 2023 Special Assessments will be assigned first.

The District expects (but can give no assurance) that the Series 2023 Special Assessments will ultimately be assigned to approximately 295 platted residential lots within the Series 2023 Project. Such lots consist of the 308 lots planned for the Series 2023 Project Area, less approximately 13 lots that are expected to be assigned Series 2022 Special Assessments. Upon final assignment of the Series 2023 Special Assessments to platted lots, the estimated Series 2023 Special Assessments levied to pay debt service on the Series 2023 Bonds, along with the estimated Series 2023 Bonds par amount allocated per unit, are expected to be as follows:

Product	Planned Units	Annual Series 2023 Special Assessment*	Series 2023 Bonds Total Par Per Unit*
Villa 42.5'	108	\$1,381	\$19,318
Single-Family 50'	8	\$1,625	\$22,727
Single-Family 60'	135	\$1,950	\$27,273
Single-Family 70'	44	\$2,275	\$31,818
Total:	295		

* Preliminary, subject to change. The annual Series 2023 Special Assessment collected via the Uniform Method will be subject to a gross up to account for fees of the Property Appraiser and Tax Collector and the statutory early payment discount.

Each homeowner in the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the homeowners' association assessments to be levied by the homeowners' association. The District anticipates levying assessments to cover its operation and administrative costs that will initially be approximately \$1,400 per, which amount is subject to change. In addition to the above estimated Series 2023 Special Assessments and maintenance and operation assessments to be levied by the District, each homeowner in the District will also pay annual taxes, including local ad valorem property taxes and homeowners' association assessments to be levied by the homeowners' association, which are estimated to be approximately \$300 per lot per year. The land

within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total ad valorem millage rate applicable to the District Lands for tax year 2022 was approximately 15.6884 mills. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Pasco County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" for more information.

Amenities

The District is planned to include a private recreation center that consists of an approximately 8,000 square-foot clubhouse with fitness center, meeting rooms, catering kitchen, junior Olympic pool and resort style pool, playground and sports courts (collectively, the "Amenities"). Pocket parks and walking trails will connect throughout the District. Construction of the Amenities is expected to begin in the [third calendar quarter of 2024 and be completed in the third calendar quarter of 2025], with an estimated cost of [\$8 million]. The Amenities will be constructed by the Landowners. A portion of the sales proceeds from closings with homebuilders (including the Builder Contracts) will be escrowed to fund the construction of the Amenities. The Amenities are not part of the Series 2023 Project and will not be owned by the District.

Education

Children residing in the Development are expected to attend Chester W. Taylor, Jr. Elementary School, Raymond B. Stewart Middle School and Zephyrhills High School, which are located approximately 1.8 miles, 5.7 miles and 6.4 miles from the Development, respectively, and which were assigned grades of C, D and C, respectively, by the State in 2022. The Pasco County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Utilities

Electric utilities will be provided to the Development by Tampa Electric Company and Withlacoochee River Electric Cooperative. Potable water and sanitary sewer service to the Development will be provided by the County. Spectrum (Bright House) and Frontier Communications (Verizon) will provide cable, internet and telephone service to the Development.

Competition

The homes in the District are expected to compete with projects in the southern Pasco County market generally and more immediate surrounding communities such as River Landing, Summerstone, Avalon Park Wesley Chapel and Zephyr Lakes. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Landowners' Agreements

The Landowners will enter into a completion agreement that will obligate the Landowners to complete any portions of the Series 2023 Project not funded with proceeds of the Series 2023 Bonds. The

Series 2023 Project does not include the parcel infrastructure for the Series 2023 Project Area, which is anticipated to be installed by the respective Builders following their acquisition of such lands.

In addition, the Landowners will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Landowners will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Landowners, certain development rights relating to the Series 2023 Project. That said, the Landowners have previously executed and delivered to the District a collateral assignment in connection with the issuance of the Series 2022 Bonds. In addition, the holder of the Loan and the Builders may have certain development rights and other rights assigned to them under the terms of the Loan and the mortgages securing builder deposits, respectively, that may be superior to such rights assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of a Landowners' or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Series 2023 Project or the development of lands subject to the Series 2023 Special Assessments.

Finally, the Landowners will also enter into a True-Up Agreement (which will be recorded and binding upon the Landowners' successors in interest) in connection with their obligations to pay true-up payments in the event that parcels to which Series 2023 Special Assessments are assigned upon their sale to homebuilders are platted in such a way that the debt levels assigned thereto increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowners are unsecured obligations, and each of the Landowners is a special-purpose entity whose assets consist primarily of its respective interests in the Development. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE LANDOWNERS" herein for more information regarding the Landowners.

TAX MATTERS

Federal Income Taxes

The delivery of the Series 2023 Bonds is subject to the opinion of GrayRobinson, P.A., Bond Counsel, to the effect that the interest on the Series 2023 Bonds is excluded from gross income of the owners thereof for federal income tax purposes. The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2023 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2023 Bonds. Pursuant to the Indenture and the Tax Certificate, the District has covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2023 Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. The opinion of Bond Counsel on federal tax matters with respect to the Series 2023 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Landowners, and compliance with certain covenants of the District to be contained in the transcript of proceedings. Bond Counsel will not independently verify the accuracy of those certifications and representations.

In the opinion of Bond Counsel, under existing law and assuming compliance with the aforementioned covenant, and the accuracy of certain representations and certifications made by the District described above, interest on the Series 2023 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel, is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. However, for taxable years beginning after December 31, 2022, interest on the Series 2023 Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the "adjusted financial statement income" of such corporations.

State Taxes

Bond Counsel is of the opinion that the Series 2023 Bonds and the interest thereon will not be subject to taxation under the laws of the State, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein. Bond Counsel expresses no opinion as to other State or local tax consequences arising with respect to the Series 2023 Bonds or as to the taxability of the Series 2023 Bonds or the income therefrom under the laws of any state other than the State.

[Original Issue Discount and Premium Bonds]

[Certain of the Series 2023 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period

of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2023 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2023 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.]

Ancillary Tax Matters

Ownership of the Series 2023 Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to claim the earned income credit, and taxpayers (including banks, thrift institutions and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Series 2023 Bonds. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Series 2023 Bonds is subject to information reporting to the IRS in a manner similar to interest paid on taxable obligations. In addition, interest on the Series 2023 Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinions attached as APPENDIX C. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Series 2023 Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Law and Post Issuance Events

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the

Series 2023 Bonds for federal or state income tax purposes, and thus on the value or marketability of the Series 2023 Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Series 2023 Bonds from gross income for federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series 2023 Bonds may occur. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors regarding the impact of any change in law on the Series 2023 Bonds.

Bond Counsel's opinions will be based on existing law, which is subject to change. Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Series 2023 Bonds may affect the tax status of interest on the Series 2023 Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Series 2023 Bonds, or the interest thereon, if any action is taken with respect to the Series 2023 Bonds or the proceeds thereof upon the advice or approval of other counsel. Moreover, the opinions of Bond Counsel are not a guarantee of a particular result and are not binding on the IRS or the courts; rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinions.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2023 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2023 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2023 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and

delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2023 Bonds, or in any way contesting or affecting (i) the validity of the Series 2023 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2023 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Landowners

The Landowners have represented that there is no litigation of any nature now pending or, to their respective knowledge, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of such Landowners to complete the development of the District Lands, or materially and adversely affect the ability of such entity to pay the Series 2023 Special Assessments imposed against the land within the District owned by the respective Landowners, or to otherwise perform their respective obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, Disclosure Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2023 Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2023 Bonds.

NO RATING

No application for a rating for the Series 2023 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2023 Bonds would have been obtained if application had been made.

The District is not and has never been in default as to principal and interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Landowners will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2023 Bondholders (including owners of beneficial interests in such Series 2023 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Landowners to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2023 Bondholders (including owners of beneficial interests in such Series 2023 Bonds) to bring an action for specific performance.

The District and the Landowners previously entered into continuing disclosure undertakings pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule") in connection with the issuance of the Bond Anticipation Note and the Series 2022 Bonds. A review of filings made pursuant to such prior undertakings indicates that (i) certain filings required to be made by the

District were not timely filed [and that notice of such late filings was not provided] and (ii) certain filings required to be made by the Landowners were not timely filed [and that notice of such late filings was not always provided]. The District and the Landowners anticipate satisfying their respective disclosure obligations required pursuant to the Disclosure Agreement and the Rule. The District will appoint Inframark, LLC, as the dissemination agent in the Disclosure Agreement.

The Underwriter intends to offer the Series 2023 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice.
