Parcel C2 will receive 2024 assessments.

Parcel D1 will receive 2023 Assessments. See 2024 SAMR.

Parcel D6 construction costs will be assigned 2023 Assessments.

The Series 2024 Assessment Area unit counts reflect parcels to receive 2024 Assessments. See 2024 SAMR (Third Supplemental).

While the delivery of the 2024 Project will necessarily involve the installation of certain master collector road improvements, the District's 2024 Project is a part of the entire CIP, which functions as a system of improvements that includes the entire CIP for Two Rivers West CDD.

3. CONCLUSION

The 2024 Project is designed in accordance with current governmental regulations and requirements. The 2024 Project will serve its intended function so long as the construction is in substantial compliance with the design.

- the estimated construction costs of the 2024 Project are based on site contractor and landscape contractor construction bids for a portion of the 2024 Project provided by the developer and estimated costs of public improvements and community facilities in which contractor bids that are not yet received. The construction cost estimate is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;

The 2024 Project will be owned by the District or other governmental unit and such 2024 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the 2024 Project is or will be located on lands owned or to be owned by the District or another governmental entity in favor of the District or other governmental entity.

III. OBJECTIVE

The objective of this Third Supplemental Assessment Methodology Report is to:

- A. Allocate a portion of the costs of the CIP to the 2024 Project.
- B. Refine the benefits, as initially defined in the Master Report, to the assessable properties within the District that will be assessed as a result of the issuance of the Series 2024 Bonds (as herein defined);
- C. Determine a fair and equitable method of spreading the associated costs to the benefiting properties within the District and ultimately to the individual units therein; and
- D. Provide a basis for the placement of a lien on the assessable lands within Assessment Area 3 of the District that benefit from the Series 2024 Project, as outlined by the Engineer’s Report.
- E. Provide a basis for the placement of a lien on the assessable lands within Assessment Area 3 of the District that benefit from the Series 2023 Project for remaining parcels that have not been transferred to homebuilders or platted outlined in Table 2.

The basis of benefit received by properties within AA3 within the District relates directly to the 2024 Project allocable to Assessable Property within AA3 of the District. It is the District’s 2024 Project that will create the public infrastructure that enables the accessible properties within AA3 of the District to be developed and improved. Without these public improvements, which include. stormwater, utilities (water and sewer), roadways, landscape, and hardscape - the development of lands within AA3 of the District could not be undertaken within the current legal development standards. This Third Supplemental Report applies the methodology described in the Master Report to assign assessments to assessable properties within AA3 of the District as a result of the benefit received from the 2024 Project and assessments required to satisfy the repayment of the Series 2024 Bonds by benefiting assessable properties within AA3.

The District will issue its Special Assessment Bonds, Series 2024 (the “Bonds”) to finance the construction and/or acquisition of a portion of the 2024 Project, which will provide special benefit to the assessable parcels within AA4 of the District. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those properties benefiting from the improvements within the District. Non-ad valorem assessments will be collected each year to provide the funding necessary to remit Bond debt service payments and to fund operations and maintenance costs related to the capital improvements maintained by the District.

In summary, this Third Supplemental Report will determine the benefit, apportionment, and financing structure for the Bonds to be issued by the District per Chapters 170, 190, and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

IV. DISTRICT OVERVIEW

The District area encompasses 1,641.903 +/- acres and is in Pasco County, Florida, within Sections 28,29,30,31,32 and 33, Township 26 South, Range 21 East, and Section 36, Township 26 South, Range 20 East. EPG -Two Rivers Development, LLC, a Florida limited liability company, is the “(Developer)” of the properties as currently outlined in Exhibit B. The Developer has created the overall development plan as outlined in Table 1 of this Assessment Report and supported by the Engineer’s Report. The current overall development plan for the District contemplates multiple phases and is outline within Table 1. The Series 2024 public improvements as described in the Engineer’s Report are outlined within Table 3.

V. CAPITAL IMPROVEMENT PROGRAM (CIP)

The District and Landowners are undertaking the responsibility of providing the public infrastructure necessary to develop AA3 of the District. As designed, the Series 2024 Project representing a portion of the total CIP is an integrated system of facilities as outlined in the Master Report. Each infrastructure facility works as a system to provide special benefits to assessable lands within the District. The drainage and surface water management system are an example of a system that provides benefits to all planned residential lots within the District. As a system of improvements, all privately benefiting landowners within the District benefit the same from the first few feet of pipe as they do from the last few feet. The stormwater management system; as an interrelated facility which, by its design and interconnected control structures, provides a consistent level of protection to the entire development program, and thus all landowners within the District will benefit from such improvement.

The District Engineer has identified the infrastructure, and respective costs, to be acquired and/or constructed as the Series 2024 Project. The Series 2024 Project will be partially funded by the issuance of the Series 2024 Bonds as generally described within Tables 3 of this Assessment Report with further detail provided in the Engineer’s Report.

VI. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The 2024 Project contains a “system of improvements” for the Development that benefit the entire District; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all private developable properties receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S.

170.01), which satisfies the second requirement above. Finally, the specific benefit to the properties is equal to or exceeds the cost of the assessments to be levied on the benefited properties (F.S. 170.02), which satisfies the third requirement above.

The first requirement for determining the validity of a special assessment is plainly demonstrable. Eligible improvements are found within the list provided in F.S. 170.01. However, certifying compliance with the second and third requirements necessary to establish a valid special assessment requires a more analytical examination. As required by F.S. 170.02 and described in the next section entitled “Allocation Methodology,” this approach involves identifying and assigning value to specific benefits being conferred upon the various benefitting properties, while confirming the value of these benefits exceeds the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, the probability of decreased insurance premiums, and the probability of increased marketability and value of the property. The Development plan contains a mix of single-family home sites. The method of apportioning benefit to the planned product mix can be related to development density and intensity where it “equates” the estimated benefit conferred to a specific single-family unit type. This is done to implement a fair and equitable method of apportioning benefits.

The second and third requirements are the key elements in defining a valid special assessment. A reasonable estimate of the proportionate special benefits received from the 2024 Project of the CIP is demonstrated in the calculation of an equivalent assessment unit (EAU), further described in the next section.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the benefitting property. These benefits are derived from the acquisition and/or construction of the District’s CIP. The allocation of responsibility for the payment of special assessments, being associated with the special assessment liens encumbering AA3 of the District because of the Series 2024 Project, has been apportioned according to a reasonable estimate of the special benefits provided, consistent with each land use category. Accordingly, no acre or parcel of property within the boundary of the District will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that property.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as lift stations, road rights-of-way, waterway management systems, common areas, and certain lands/amenities owned by the Owner and other community property. To the extent it is later determined that the property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to lot product average front footage.

VII. ALLOCATION METHODOLOGY

Table 1 outlines EAUs assigned for residential product types under the current Development plan. The 40’ Product will serve as the equivalent basis of 1.00 EAU. If future assessable property is added or product types are contemplated, this Assessment Report will be amended to reflect such a change.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefiting Assessable Property by use and size in comparison to other Assessable Property within the District. According to F.S. 170.02, the methodology by which special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specific assessable properties. The CIP benefit with respect to the 2024 Project and special assessment allocation rationale is detailed herein and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The owner may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per-parcel basis, thereby reducing the annual debt service assessment associated with any series of bonds.

VIII. ASSIGNMENT OF ASSESSMENTS

This section sets out the manner in which special assessments will be assigned and to establish a lien on land per the development rights and entitlements within the District. With regards to the Assessable Property, the special assessments are initially assigned to all assessable properties within AA3 of the District on a gross acreage basis until such time parcels are transferred, sold, or conveyed to a builder. Upon such sale, the remaining 2023 Special Assessments outlined in the Second Supplemental Assessment Methodology Report detailed in Table 2 will be allocated first until absorbed, then the 2024 Special Assessments will be assigned to the parcels in accordance within Table 5 as this illustrates the 2024 Special Assessments allocated on a per parcel basis based on the current development plan. As property is assigned to such parcels upon their sale, the District's debt will be re-allocated and assigned to platted lots with each parcel. Pursuant to Section 193.0235, Florida Statutes, certain privately or publicly owned "common elements" such as clubhouses, amenities, lakes, and common areas for community use and benefit are exempt from non-ad valorem assessments and liens regardless of the private ownership.

It is useful to consider three distinct states or conditions of development within a community. The initial condition is the "undeveloped state". At this point, the infrastructure may or may not be installed and none of the units in the Development Plan have been platted. This condition exists when the infrastructure program is financed prior to any development. In the undeveloped state, all the lands within AA3 of the District are assumed to receive benefits from the Series 2024 Project and all of the Assessable Property within AA3 would be assessed to repay the Series 2024 Bonds. While the land is "undeveloped," special assessments will be assigned on an equal acre basis across all the gross acreage within AA3 of the District. Debt will not be solely assigned to parcels that have development rights but will and may be assigned to certain undevelopable parcels to ensure the integrity of development plans, rights, and entitlements.

The second condition is "on-going development". At this point, if not already in place, the installation of infrastructure has begun. Additionally, the Development plan has started to take shape. As undeveloped parcels are sold to home builders, they are assigned specific special assessments in relation to the estimated benefit that each platted unit within the District receives from the Series 2024 Project, with the balance of the debt assigned on a per gross acre basis as

described in the preceding paragraph. Therefore, each fully developed, platted unit would be assigned a special assessment according to its Product Type classification as outlined in Table 1. If the land is sold in bulk within AA3 to a builder before platting, then the District will assign the remaining Series 2023 Series until absorbed and then assign the Series 2024 Assessments based upon the development rights conveyed and/or assigned to such parcel in the land sale based on the equivalent assessment unit (EAU) factors outlined in this Assessment Methodology. It is not contemplated that any unassigned debt would remain once all of the 709 lots associated with the Series 2024 Project are platted and fully developed.

The third condition is the “completed development state.” In this condition, all of the Assessable Property within AA3 of the Development plan has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within the portion of the District outlined in Table 5 of this report.

i. **Priority of 2023 Special Assessments Assignment**

Table 2 details the 2023 Special Assessments that have been allocated proportionally to parcels transferred to builders/sold parcels totaling 465.25 EAUS, the remaining 174.25 EAUS to absorb the total of 639.50 EAUS is further detailed based on projected closings and dates by the landowner to a builder. The Series 2023 Special Assessments will be assigned prior to any future bonds or assessments.

ii. **Priority of 2024 Special Assessments Assignment**

The 2024 Special Assessments will be allocated to the first 987 EAUS that are associated with either: platted lots or sold parcels after the 2023 Special Assessments have been allocated. To the extent additional bonds are issued prior to the Series 2024 Special Assessments being fully assigned to either platted lots or sold property, the Series 2024 Special Assessments will be assigned first.

IX. FINANCING INFORMATION

The District will finance a portion of the Series 2024 Project through the issuance of the Series 2024 Bonds secured ultimately by Assessable Properties within AA3 of the District. A number of items will comprise the bond sizing such as a debt service reserve, issuance costs, and rounding as shown in Table 5.

X. TRUE-UP MODIFICATION

During the construction period of phases of development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per-unit allocation of the special assessment principle associated with each parcel. In order to ensure the District’s debt does not build up on the unplatted land, the District shall apply the following test as outlined within this “true up methodology.”

This mechanism is to be utilized to ensure that the principal assessment per parcel never exceeds the initially allocated assessment as contemplated in the adopted assessment methodology. If such changes occur, the Methodology applied to each parcel is based on the number of and type of units of each parcel as signified by the number of EAUs.

As each parcel is sold to a builder, the assessments are assigned to such parcels based on the figures in Table 5 of this Third Supplemental Report. If because of platting and apportionment of assessment to the platted land within a parcel, the assessment per EAU for the land within such parcel that remains unplatted remains equal, then no true-up adjustment will be necessary within a parcel. If because of platting and apportionment of assessment to the platted land, the assessment per EAU for the land that remains unplatted equals to less than (either as a result of a larger number of lots, larger lots, or both), the District reserves the right to utilize the surplus EAUs as security for a future, separate debt instrument. Should the District refuse this right, the per EAU assessments for all lots will be lowered (if that state persists at the conclusion of platting of all land in the District).

If, in contrast, as a result of platting and apportionment of assessment to platted land within a parcel, the assessment per EAU for the land that remains unplatted within such parcel equals more than (either as a result of a smaller number of lots, smaller lots or both), then the difference in assessment will be collected from the owner of the property which platting caused the increase of assessment per EAU to occur, per the True-Up Agreement, which will be binding on assignees. The owner(s) of a parcel will be required to immediately remit to the Trustee a true-up payment equal to the difference between the actual assessment per EAU and max amount multiplied by the actual number of EAUs developed plus accrued interest to the next succeeding interest payment date on the Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be calculated to the following interest payment date.

True-up payment provisions may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District and the District Manager, that there is sufficient development potential in the remaining acreage within the District (or parcel as applicable) to produce the densities required to adequately service Bond debt. The Landowners and District will enter into a true-up agreement to evidence the obligations described in Section VIII.

All assessments levied run with the land, and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

SECTION 1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture (hereinafter defined).

SECTION 2. Authorization. The Series 2024 Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$23,000,000. The Series 2024 Bonds shall be issued under and secured by that Master Trust Indenture dated as of January 1, 2022 (the "Master Indenture"), by and between the District and U.S. Bank Trust Company, National Association, as successor in interest to U.S. Bank National Association, as trustee (the "Trustee"), as supplemented with respect to the Series 2024 Bonds by the Fourth Supplemental Trust Indenture to be dated as of the first day of the month in which the Series 2024 Bonds are issued (the "Supplemental Indenture" and, collectively with the Master Indenture, the "Indenture"), by and between the District and the Trustee. The proceeds of the Series 2024 Bonds shall be used for the purposes set forth in the Indenture and the Limited Offering Memorandum (hereinafter defined).

SECTION 3. Approval of Supplemental Indenture. The Supplemental Indenture is hereby approved in substantially the form set forth as part of **Exhibit A** hereto. The Chairman or the Vice Chairman of the Board are hereby authorized and directed to execute and deliver such Supplemental Indenture on behalf of and in the name of the District, and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and approved by the Chairman or the Vice Chairman executing the same, such execution to be conclusive evidence of such approval.

The Master Indenture is hereby ratified and confirmed, subject to any amendments or supplements thereto with respect to the Series 2024 Bonds contained in the Supplemental Indenture. The appointment of U.S. Bank Trust Company, National Association as Trustee under the Master Indenture is hereby ratified and confirmed, and the Trustee is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Supplemental Indenture.

SECTION 4. Negotiated Sale. The Board hereby determines that a negotiated sale of the Series 2024 Bonds to the Underwriter is in the best interest of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2024 Bonds at presently favorable interest rates, and because the nature of the security for the Series 2024 Bonds and the sources of payment of

debt service on the Series 2024 Bonds require the participation of the Underwriter in structuring the bond issue.

SECTION 5. Contract Approved. The Board hereby approves the Contract in substantially the form attached as **Exhibit B** hereto. The Chairman or Vice Chairman of the Board is hereby authorized to execute the Contract and to deliver the Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairman or Vice Chairman; provided, however, that (i) the average net interest cost rate on the Series 2024 Bonds shall not exceed the rate computed by adding 300 basis points to The Bond Buyer "20 Bond Index" published immediately preceding the first day of the calendar month in which the Series 2024 Bonds are sold, as provided in Section 215.84(3), Florida Statutes, (ii) the Underwriter's discount shall not exceed 2.00% of the original principal amount of the Series 2024 Bonds, (iii) the Series 2024 Bonds shall be subject to optional redemption as provided in the Contract, and (iv) the final maturity date of the Series 2024 Bonds shall be no later than the maximum term allowed by Florida law, which is currently thirty years of principal amortization. Execution by the Chairman or Vice Chairman of the Contract shall be deemed to be conclusive evidence of approval of such changes.

SECTION 6. Preliminary Limited Offering Memorandum and Limited Offering Memorandum. The District hereby approves the Preliminary Limited Offering Memorandum in substantially the form attached hereto as **Exhibit C** (the "Preliminary Limited Offering Memorandum") and authorizes its distribution and use by the Underwriter in connection with the offering for the sale of the Series 2024 Bonds. If, between the date hereof and the mailing of the Preliminary Limited Offering Memorandum, it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chairman or Vice Chairman is hereby authorized to approve such insertions, changes and modifications, and the Chairman or Vice Chairman is hereby authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") under the Securities Exchange Act of 1934, in the form as mailed and in furtherance thereof to execute a certificate evidencing same. The preparation of a final Limited Offering Memorandum is hereby approved, and the Chairman or Vice Chairman is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the Contract and to deliver the same to the Underwriter for use by the Underwriter in connection with the sale and distribution of the Series 2024 Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with only such changes as shall be approved by the Chairman or Vice Chairman as necessary to conform to the details of the Series 2024 Bonds and such other insertions, modifications and changes as may be approved by the Chairman or Vice Chairman. The execution and delivery of the Limited Offering Memorandum by the Chairman or Vice Chairman shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2024 Bonds.

SECTION 7. Form of Series 2024 Bonds. The Series 2024 Bonds shall be in substantially the form set forth as an exhibit to the Supplemental Indenture, with such additions, deletions and other changes thereto as the officials of the Board executing such Series 2024 Bonds shall approve, such approval to be conclusively evidenced by the execution of the Series 2024

Bonds (by manual or facsimile signature) by such officials. The Board hereby authorizes and approves the use of a facsimile of the District seal on the Series 2024 Bonds.

SECTION 8. Continuing Disclosure Agreement. The form and content of the Continuing Disclosure Agreement (the "Disclosure Document") relating to the Series 2024 Bonds attached hereto as **Exhibit D** is hereby approved. The Chairman or Vice Chairman and the Secretary or any Assistant Secretary are hereby authorized to execute the Disclosure Document on behalf of the District in substantially the form attached hereto, with such additions, deletions, and other changes as may be necessitated by applicable law, this Resolution and the Contract as such officers may approve (such approval to be conclusively evidenced by their execution of the Disclosure Document).

SECTION 9. The Series 2024 Project. Proceeds of the Series 2024 Bonds shall be applied in the manner and deposited to the funds and accounts set forth in the Supplemental Indenture, for the principal purpose of financing the construction and/or the acquisition by the District of the Series 2024 Project (as defined in the Supplemental Indenture). The Series 2024 Project is hereby deemed to constitute a "Project" under the Master Indenture.

SECTION 10. Open Meetings. It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Series 2024 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirement of Florida Statutes, Section 286.011.

SECTION 11. Other Actions. The Chairman, the Vice Chairman, the Secretary and any Assistant Secretary of the District, and any authorized designee thereof (collectively, the "District Officers"), Bond Counsel, District Counsel, and any other consultant or experts retained by the District, are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Series 2024 Bonds and the consummation of all transactions in connection therewith. The District Officers are hereby authorized and directed to execute all necessary or desirable certificates, documents, papers, and agreements necessary for the undertaking and fulfillment of all transactions referred to in or contemplated by the Indenture, the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, this Resolution, the Disclosure Document and the Contract (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2024 Bonds, any documents required in connection with implementation of a book-entry system of registration, any investment agreements relating to the investment of the proceeds of the Series 2024 Bonds, and any agreements in connection with maintaining the exclusion of interest on the Series 2024 Bonds from gross income from the holders thereof). All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

SECTION 12. Approval of Prior Actions. All actions taken to date by the members of the Board and the officers, agents, and employees of the District in furtherance of the issuance of the Series 2024 Bonds are hereby approved, confirmed and ratified.

SECTION 14. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

SECTION 15. Effective Date. This Resolution shall become effective immediately upon its adoption.

Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings to the Series 2024 Revenue Account in accordance with Section 4.02 hereof.

In the event of a prepayment of Series 2024 Special Assessments in accordance with Section 4.05(a) of this Supplemental Trust Indenture, forty-five (45) days before the next Quarterly Redemption Date, the District shall provide written direction to the Trustee, as described in Section 4.05(a) hereof, recalculating the Series 2024 Reserve Requirement to take into account the amount of Series 2024 Bonds that will be outstanding as a result of such prepayment of Series 2024 Special Assessments, and directing the Trustee to transfer the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement, resulting from Series 2024 Prepayment Principal, to the Series 2024 Prepayment Subaccount to be applied toward the extraordinary redemption of Series 2024 Bonds in accordance with the extraordinary mandatory redemption provisions set forth in **Exhibit B** hereto, as a credit against the Series 2024 Prepayment Principal otherwise required to be made by the owner of such property subject to Series 2024 Special Assessments, and upon receipt of such direction the Trustee shall effect such transfer. Upon satisfaction of each of Reserve Release Condition #1 and Reserve Release Condition #2, the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement shall then be transferred to the Series 2024 Acquisition and Construction Account and applied as provided in Section 4.01(a) hereof.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2024 Bond Redemption Account" and within such Account, an "Series 2024 General Redemption Subaccount," an "Series 2024 Optional Redemption Subaccount," and an "Series 2024 Prepayment Subaccount." Except as otherwise provided in this Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture shall be deposited to the Series 2024 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption of Series 2024 Bonds in accordance with **Exhibit B** hereto.

(i) Moneys in the Series 2024 Prepayment Subaccount (including all earnings on investments held in such Series 2024 Prepayment Subaccount) shall be accumulated therein to be used to call for extraordinary mandatory redemption in accordance with **Exhibit B** hereto an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption as provided in **Exhibit B**. In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2024 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee upon written direction from the District, shall be authorized to withdraw amounts from the Series 2024 Revenue Account to deposit to the Series 2024 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be directed by the District to pay interest on and/or principal of the Series 2024 Bonds for extraordinary mandatory redemption if, as a result, the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The District hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2024 Rebate Account." Moneys shall be deposited into the Series 2024 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds in accordance with Section 3.01(a) hereof and **Exhibit B** hereto.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20[___], to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024

Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless needed for the purposes of rounding the principal amount of an Series 2024 Bond subject to extraordinary mandatory redemption pursuant to Section 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of redemption of Series 2024 Bonds from Prepayments on deposit in the Series 2024 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2024 Revenue Account to the Series 2024 Prepayment Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2024 Bonds, as provided in Section 4.01(i) hereinabove.

SECTION 4.03. Power to Issue Series 2024 Bonds and Create Lien. The District is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds, except as otherwise permitted under Section 5.04 hereof. The Series 2024 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the District in accordance with their respective terms. The District shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Holders of the Series 2024 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2024 Project to Conform to the Engineer's Report. Simultaneously with the issuance of the Series 2024 Bonds, the District will promptly proceed to construct or acquire the Series 2024 Project as described in **Exhibit A** hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2024 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof, shall, or by operation of law, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the District all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2024 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2024 Bonds pursuant to the extraordinary mandatory redemption provisions set forth in **Exhibit B** hereto, in the event the amount on deposit in the Series 2024 Reserve Account will exceed the Series 2024 Reserve Requirement for the Series 2024 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption of Series 2024 Bonds, the excess amount shall be transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount, as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District to the Trustee together with a certificate of a Responsible Officer of the District stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the Series 2024 Reserve Requirement.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the District shall immediately pay the amount so received to the Trustee, and the District shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the District's determination of what moneys constitute Prepayments. The Trustee shall notify the District of the amount in the Series 2023 Prepayment Account forty-five (45) days prior to each Quarterly Redemption Date.

COVENANTS AND DESIGNATIONS OF THE DISTRICT

SECTION 5.01. Collection of Series 2024 Special Assessments. Pursuant to the terms and provisions of the Master Indenture, and except as provided in the next succeeding sentence, the District shall collect the Series 2024 Special Assessments relating to the acquisition and construction of the Series 2024 Project through the Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the District shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2024 Special Assessments levied in lieu of the Uniform Method with respect to any lands within Series 2024 Area that have not been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this Supplemental Trust Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Special Assessments, and to levy and collect the Series 2024 Special Assessments and any required true-up payments set forth in the Assessment Methodology or True-Up Agreement in such manner as will generate funds sufficient to pay Debt Service on the Series 2024 Bonds when due. All Series 2024 Special Assessments that are collected directly by the District shall be due and payable by the Landowners not later than thirty (30) days prior to each Interest Payment Date. The Assessment Methodology shall not be materially amended without the written consent of the Majority Holders.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the District and the Landowners have executed and delivered a Continuing Disclosure Agreement to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2024 funds, accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Bonds.

(a) The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds.

(b) Prior to the Series 2023 Special Assessments being assigned to either (i) platted lots or (ii) undeveloped, permitted parcels upon the closing of such parcel(s) with a homebuilder pursuant to the Assessment Methodology, the District shall be authorized to issue additional Bonds secured by Special Assessments levied against the assessable District Lands to finance public infrastructure improvements, provided that the total annual Special Assessments levied for each planned, permitted unit within the District do not exceed \$32.50 per front foot

(exclusive of collection costs and discount for early payment), taking into account Special Assessments levied to secure previously issued Bonds, including the Series 2022 Special Assessments, the Series 2023 Special Assessments and the Series 2024 Special Assessments.

(c) Notwithstanding the limitation set forth in paragraph (b) above, the District may issue other Bonds or other debt obligations for any capital project without limit at any time after the Series 2024 Special Assessments have been Substantially Absorbed. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2024 Special Assessments have not been Substantially Absorbed.

(d) Notwithstanding any of the foregoing, the District shall not be precluded from imposing Special Assessments or non-ad valorem assessments on District Lands (i) for the health, safety, and welfare of the District's residents or for purposes of remediating any natural disaster, catastrophic damage, or failure that has occurred with respect to any capital project or any component thereof or (ii) upon the written consent of the Majority Holders.

SECTION 5.05. Requisite Holders for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires the Holders of more than fifty percent (50%) in aggregate principal amount of the Outstanding Series 2024 Bonds shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee and that, upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2024 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2024 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

During the continuance of an Event of Default specified in Subsections 10.02(a), 10.02(b) or 10.02(g) of the Master Indenture (a "Payment Related Default"), disbursements from the Series 2024 Acquisition and Construction Account shall be made only with the consent of the Majority Holders, except as provided below. During the continuance of a Payment Related Default, the Majority Holders shall have the right to provide direction to the District to terminate, suspend, or proceed under any contracts for construction of the Series 2024 Project entered into prior to the

occurrence of such Payment Related Default. The Majority Holders may provide such direction at any time during the continuance of such Payment Related Default and shall not be deemed to have waived their right to do so through inaction or delay and may change such direction from time to time.

(i) Until such time as the Majority Holders provide such direction to the District, disbursements may be made without the consent of the Majority Holders for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default.

(ii) Upon direction by the Majority Holders to proceed under any such contract(s), no consent of the Majority Holders shall be required for disbursements for Costs incurred by the District thereunder until the date of suspension or termination of such contract directed by the Majority Holders described in subparagraph (iii) below.

(iii) Upon direction by the Majority Holders to suspend or terminate such construction contract(s), disbursements for Costs incurred by the District thereunder shall only be made (x) for disbursements for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default and which Costs relate to work performed before the earliest date on which the District is entitled to suspend or terminate such construction contract at the direction of the Majority Holders, or (y) with the consent of the Majority Holders.

Notwithstanding anything to the contrary contained herein, during the continuance of a Payment Related Default, the consent of the Majority Holders shall be required for disbursements for Costs under contracts for the acquisition of Series 2024 Project improvements from the Landowners or their affiliates.

SECTION 5.07. Amendment to Master Indenture. Section 10.02(g) of the Master Indenture is hereby amended with respect to the Series 2024 Bonds to provide as follows:

"(g) if at any time the amount in the Series 2024 Reserve Account is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal."

If such redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level; or

(ii) From moneys, if any, on deposit in the Series 2024 Funds, Accounts and Subaccounts (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; or

The District may provide that the any optional redemption of Series 2024 Bonds issued under the Indenture may be subject to certain conditions; provided that the notice of such conditional optional redemption must expressly state that such optional redemption is conditional and describe the conditions for such redemption. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Registered Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

The Registered Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

The District, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the District, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

this Bond, and of the issue of the Series 2024 Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by execution of the Trustee, or such other authenticating agent as may be appointed by the Trustee under the Indenture, of the certificate of authentication endorsed hereon.

PARK EAST COMMUNITY DEVELOPMENT DISTRICT
(CITY OF PLANT CITY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2024
(SERIES 2024 PROJECT)

BOND PURCHASE CONTRACT

[_____] , 2024

Board of Supervisors
Park East Community Development District
City of Plant City, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Park East Community Development District (the "District"). The District is located entirely within municipal boundaries of the Plant City, Florida (the "City"), which is located in Hillsborough County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Park East Community Development District Special Assessment Bonds, Series 2024 (Series 2024 Project) (the "Series 2024 Bonds"). The Series 2024 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2024 Bonds shall be \$[_____] (representing the \$[_____] aggregate principal amount of the Series 2024 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]) (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the "Closing").

2. The Series 2024 Bonds. The Series 2024 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions

of law (the "Act"), by Ordinance No. 30-2021 of the City Commission of the City, adopted on June 28, 2021, as amended by Ordinance No. 45-2023 adopted on December 11, 2023 (collectively, the "Ordinance"). The Series 2024 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of December 1, 2021 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture dated as of [_____] 1, 2024 (the "Second Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolutions Nos. 2021-23 and 2024-[____], adopted by the Board of Supervisors of the District (the "Board") on July 1, 2021 and [May 2], 2024, respectively (collectively, the "Bond Resolution"). The Series 2024 Special Assessments, the revenues of which comprise the Series 2024 Pledged Revenues for the Series 2024 Bonds, have been levied by the District on those lands within the District specially benefited by the Series 2024 Project pursuant to the Assessment Resolutions (as such term is defined in the Second Supplemental Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2024 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2024 Bonds, that the entire principal amount of the Series 2024 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) Except as otherwise set forth in Exhibit B attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2024 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2024 Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the

date of this Purchase Contract, the maturities, if any, of the Series 2024 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2024 Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party, and

(2) a purchaser of any of the Series 2024 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(3) "sale date" means the date of execution of this Purchase Contract is executed by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter its Preliminary Limited Offering Memorandum dated [____], 2024 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2024 Bonds, being herein collectively called the

"Preliminary Limited Offering Memorandum"), relating to the Series 2024 Bonds, which the District has deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2024 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Underwriter to circulate and use the Preliminary Limited Offering Memorandum in connection with the limited offering of the Series 2024 Bonds. The District, at its expense, shall deliver or cause to be delivered to the Underwriter, within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all of the requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [____], 2024 (such Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2024 Bonds, being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies and approves the circulation and use of the Limited Offering Memoranda by the Underwriter.

5. **Definitions.** For purposes hereof, (a) this Purchase Contract, the Series 2024 Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, among the District, [Park East Holdings, LLC], a Florida limited liability company (the "Landowner"), and Inframark, LLC, a Texas limited liability company registered to do business in the State of Florida, as dissemination agent (the "Dissemination Agent"), in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX D thereto (the "Disclosure Agreement"), and the DTC Blanket Issuer Letter of Representations entered into by the District, are referred to herein collectively as the "Financing Documents," and (b) [the Funding and Completion Agreement dated as of the Closing Date, by and between the District and the Landowner (the "Completion Agreement"), the Development Acquisition Agreement dated as of the Closing Date by and between the District and the Landowner (the "Acquisition Agreement"), the Agreement to Convey or Dedicate dated as of the Closing Date by and between the District and the Landowner (the "Conveyance Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2024 Project dated as of the Closing Date and in recordable form by and between the District, the Landowner (the "Collateral Assignment"), the True-Up Agreement between the District and the Landowner dated as of the Closing Date in recordable form (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the Park East Community Development District, Imposition of Special Assessments, and Imposition of Lien of Record by the Landowner dated as of the Closing Date in recordable form (the "Declaration of Consent") are collectively referred to herein as the "Ancillary Agreements."]

6. **Representations, Warranties and Agreements.** The District hereby represents, warrants and agrees as follows:

Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto), the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2024 Bonds, the Financing Documents or the Ancillary Agreements to which the District is a party;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which (i) are required for the due authorization by the District, or (ii) would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the District, of its obligations to issue the Series 2024 Bonds, or under the Series 2024 Bonds, the Bond Resolution, the Assessment Resolutions, Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2024 Bonds;

(g) The Series 2024 Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture, and upon such issuance, execution and delivery of the Series 2024 Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Series 2024 Bonds, a legally valid and binding pledge of the Series 2024 Trust Estate. On the Closing Date, all conditions precedent to the issuance of the Series 2024 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2024 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2024 Special Assessments or the pledge of the Series 2024 Trust Estate, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2024 Bonds, or the authorization of the Series 2024 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and the Ancillary Agreements to which the District is a party, or the application of the proceeds of the Series 2024 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2024 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2024 Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2024 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2024 Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than "Permitted Omissions") and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry System," "THE DEVELOPMENT," "THE LANDOWNER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Landowner," and "UNDERWRITING";

(l) If between the date of this Purchase Contract and the earlier of (i) ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12, or (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB's Electronic Municipal Market Access system (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District except as disclosed in the Limited Offering Memoranda, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions, the Bonds, the Financing Documents or the Ancillary Agreements, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) The District has never issued any debt and has never entered into any continuing disclosure obligations pursuant to the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2024 Bonds), notes or other obligations payable from the Series 2024 Pledged Revenues.

Re: \$[____] Park East Community Development District (City of Plant City,
Florida) Special Assessment Bonds, Series 2024 (Series 2024 Project)

Ladies and Gentlemen:

We serve as counsel to the Park East Community Development District (the "**District**"), a community development district established pursuant to the laws of the State of Florida (the "**State**"), particularly Chapter 190, Florida Statutes, as amended (the "**Act**"), in connection with the authorization, issuance, and sale by the District of its above referenced bonds (the "**Series 2024 Bonds**"). The Series 2024 Bonds are being issued to acquire and construct a portion of the public improvements described in the "Report of the District Engineer – Special Assessment Bonds, Series 2021" dated November 4, 2021, as supplemented by the report titled "Supplemental Report of the District Engineer" dated [April 5, 2024] (collectively, the "**Series 2024 Project**"). Unless otherwise expressly defined herein, capitalized terms used herein have the respective meanings assigned to them in the Bond Purchase Contract between the District and FMSbonds, Inc. dated [____], 2024 (the "**Bond Purchase Contract**").

In our capacity as counsel to the District, we have examined such documents and have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below. We have also attended various meetings of the District and have participated in conferences from time to time with representatives of the District, the District Manager, the District assessment consultant, the Underwriter, Bond Counsel, counsel for the Underwriter, the Landowner, counsel for the Landowner, and the District Engineer relative to the Limited Offering Memoranda (as defined herein) and the related documents described as follows:

the Bond Purchase Contract, the Indenture, the DTC Letter of Representations, and the Continuing Disclosure Agreement (collectively, the "**Financing Documents**");

the Development Acquisition Agreement dated as of the Closing Date (the "**Acquisition Agreement**") by and between the District and [Park East Holdings, LLC] (the "**Landowner**"), the Agreement to Convey or Dedicate dated as of the Closing Date by and between the District and the Landowner (the "**Conveyance Agreement**"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2024 Project dated as of the Closing Date and in recordable form by and between the District and the Landowner (the "**Collateral Assignment**"), the Funding and Completion Agreement dated as of the Closing Date by and between the District and the Landowner (the "**Completion Agreement**"), and the True-Up Agreement dated as of the Closing Date and in recordable form by and between the District and the Landowner (the "**True-Up Agreement**" and collectively with the Acquisition Agreement, Conveyance Agreement, Collateral Assignment, and Completion Agreement referred to herein as the "**Ancillary Agreements**");

Resolutions Nos. 2021-23 and 2024-[____], adopted by the Board of Supervisors of the District (the "**Board**") on July 1, 2021 and [May 2], 2024, respectively (collectively, the "**Bond Resolutions**"); and

Resolution Nos. [2024-01, 2024-02, and 2024-03], adopted by the Board on [March ____], 2024, March [____], 2024, and April 11, 2024, respectively (collectively, the "**Assessment Resolutions**").

Based on the foregoing, we are of the opinion that:

1. The District has been established and validly exists as a community development district, independent local unit of special purpose government and political subdivision under applicable Florida law.
2. The Financing Documents, the Ancillary Agreements, and the use of the uniform method for the collection of non-ad valorem assessments pursuant to Section 197.3632, Florida Statutes, as amended, and the Series 2024 Bonds have been duly authorized, executed, and delivered by the District.
3. Assuming due execution by the other party(ies) thereto, if applicable, the Financing Documents, the Ancillary Agreements, the Series 2024 Bonds, the Bond Resolutions, and the Assessment Resolutions constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth therein may be limited by bankruptcy, insolvency, and similar laws affecting creditors' rights generally and general principles of equity.
4. There is no litigation or other proceeding now pending of which the District or its registered agent has received notice or service of process, or to our best knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2024 Bonds or the application of the

proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2024 Special Assessments or the pledge of and lien on the Series 2024 Pledged Revenues pursuant to the Indenture; (c) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District relating to authorization for the issuance of the Series 2024 Bonds or the authorization of the Series 2024 Project, the Bond Resolutions, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, or the application of the proceeds of the Series 2024 Bonds for the purposes set forth in the Limited Offering Memoranda; (d) specifically contesting the federal or state tax status of the Series 2024 Bonds; or (e) contesting the completeness or accuracy of the Limited Offering Memoranda (except for permitted omissions with respect to the Preliminary Limited Offering Memorandum as defined herein) or any supplement or amendment thereto.

5. The District has duly authorized and delivered the Preliminary Limited Offering Memorandum dated [____], 2024 (the "**Preliminary Limited Offering Memorandum**"), and duly authorized, execute and delivered the Limited Offering Memorandum dated [____], 2024 (the "**Limited Offering Memorandum**" and, together with the Preliminary Limited Offering Memorandum, collectively, the "**Limited Offering Memoranda**").
6. Based upon our representation of the District as its Counsel and our limited participation in the preparation of the Limited Offering Memoranda, we have no reason to believe that the statements and information contained in the Limited Offering Memoranda under the captions (including all subcaptions thereunder unless hereinafter excluded) "INTRODUCTION," "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT – Landowner Agreements" (solely as it relates to a description of such agreements with the District), "AGREEMENT BY THE STATE," "LITIGATION – The District," "DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS," "CONTINUING DISCLOSURE," (as it relates to the District only) "VALIDATION," and "AUTHORIZATION AND APPROVAL" are not true and accurate and as of their respective dates did not, and as of the date of Closing do not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.
7. The District is not, in any manner material to the issuance of the Series 2024 Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the

District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state "Blue Sky" or other securities laws, as may be applicable.

8. The execution and delivery of the Series 2024 Bonds, the Financing Documents, the Ancillary Agreements, to which the District is a party, and the adoption of the Bond Resolutions and the Assessment Resolutions and compliance with the provisions on the District's part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Series 2024 Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Series 2024 Bonds, the Financing Documents or the Ancillary Agreements.
9. To the best of our knowledge after investigation, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Limited Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, state "Blue Sky" laws or other securities laws.
10. The District has the right and authority under the Act and other state law to adopt the Bond Resolutions and the Assessment Resolutions, to issue the Series 2024 Bonds, to undertake the Series 2024 Project, to levy the Series 2024 Special Assessments that will secure the Series 2024 Bonds, and has duly adopted the Bond Resolutions and the Assessment Resolutions.
11. All proceedings undertaken by the District with respect to the Series 2024 Special Assessments securing the Series 2024 Bonds, including adoption of the Assessment Resolutions, were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Series 2024 Special Assessments. The Series 2024 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2024 Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid (except for federal liens, titles, and claims).

12. The Series 2024 Bonds have been validated by a final judgment of the Circuit Court in and for Hillsborough County, Florida, of which no timely appeal was filed.
13. The District has the full power and authority to own and operate the Series 2024 Project.
14. All conditions prescribed in the Indenture and the Bond Purchase Contract to be performed by the District as precedent to the issuance of the Series 2024 Bonds have been fulfilled.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. Other than the signatures of District officers and members of the Board, we have also assumed the genuineness of the signatures appearing on such public records, certifications, documents and proceedings. We have also assumed the due authorization, execution and delivery of each document by each of the other respective parties thereto.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

The opinions or statements expressed above are based solely on the laws of Florida and the United States of America, excluding matters of compliance with or applicability of tax laws, "Blue Sky" laws or other securities laws. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of any other state or jurisdiction.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

Very truly yours,

I am counsel to [Park East Holdings, LLC], a Florida limited liability company (the "Landowner"), which is the owner of certain lands referred to as the District Lands within the development located within the municipal boundaries of the City of Plant City, Florida, and commonly referred to as North Park Isle, as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Landowner in connection with the issuance by the Park East Community Development District (the "District") of the Series 2024 Bonds as described in the District's Preliminary Limited Offering Memorandum dated [_____] , 2024 and the District's final Limited Offering Memorandum, dated [_____] , 2024, including the appendices attached thereto (collectively, the "Limited Offering Memoranda"). It is my understanding that the Series 2024 Bonds are being issued for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) funding a deposit to the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement, and (iii) paying the costs of issuance of the Series 2024 Bonds. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Limited Offering Memoranda.

In my capacity as counsel to the Landowner, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Funding and Completion Agreement dated as of the Closing Date, by and between the District and the

Landowner (the "Completion Agreement"), the Development Acquisition Agreement dated as of the Closing Date by and between the District and the Landowner (the "Acquisition Agreement"), the Agreement to Convey or Dedicate dated as of the Closing Date by and between the District and the Landowner (the "Conveyance Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2024 Project dated as of the Closing Date and in recordable form by and between the District, the Landowner (the "Collateral Assignment") and the True-Up Agreement between the District and the Landowner dated as of the Closing Date in recordable form (the "True-Up Agreement"), the Declaration of Consent to Jurisdiction of the Park East Community Development District and Imposition of Special Assessments and Imposition of Lien of Record by the Landowner dated as of the Closing Date, the Certificate of the Landowner dated as of the Closing Date, and the Continuing Disclosure Agreement dated as of the Closing Date, by and among the District, the Landowner, and Inframark, LLC, as dissemination agent (the "Dissemination Agent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined the Landowner's Operating Agreement, Articles of Organization filed with the Florida Division of Corporations, and certificate of good standing issued by the State of Florida on [_____,] 2024 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Landowner) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of the Landowner, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Landowner is a limited liability company organized and existing under the laws of the State of Florida.
2. The Landowner has the power to conduct its business and to undertake the development and sale of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Landowner and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Landowner, enforceable in accordance with their respective terms.
4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE

LANDOWNER" and "LITIGATION – The Landowner" does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Landowner does not violate (i) the Landowner's operating agreement, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Landowner is a party or by which any of its assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Landowner or any of its assets.

6. Nothing has come to my attention that would lead me to believe that the Landowner is not in compliance in all material respects with all provisions of applicable law in all material matters relating to the Landowner as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Landowner has not received all government permits required in connection with the construction and completion of the development of the Series 2024 Project and the lands in the Series 2024 Assessment Area as described in the Limited Offering Memoranda, other than certain permits, which permits are expected to be received as needed, have been received; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Landowner's ability to complete development of the Series 2024 Project and the lands in the Series 2024 Assessment Area as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the Series 2024 Project and the lands in the Series 2024 Assessment Area as described in the Limited Offering Memoranda will not be obtained in due course as required by the Landowner.

7. To the best of my knowledge after due inquiry, the levy of the Series 2024 Assessments on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which either of the Landowner is a party or to which the Landowner or its properties or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending or threatened which would prevent or prohibit the development of the Series 2024 Project and the lands in the Development in accordance with the description thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto as an Appendix or which may result in any material adverse change in the respective business, properties, assets or financial condition of the Landowner.

9. To the best of my knowledge after due inquiry, the Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition

in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Landowner is not in default under any mortgage, trust indenture, lease or other instrument to which any of its assets are subject, which default would have a material adverse effect on the Series 2024 Bonds or the development of the Series 2024 Project and the lands in the Series 2024 Assessment Area.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

CERTIFICATE OF LANDOWNER

[PARK EAST HOLDINGS, LLC], a Florida limited liability company (the "Landowner"), DOES HEREBY CERTIFY, that:

1. This Certificate of Landowner is furnished pursuant to Section 8(c)(10) of the Bond Purchase Contract dated [____], 2024 (the "Purchase Contract") between Park East Community Development District (the "District") and FMSbonds, Inc. (the "Underwriter") relating to the sale by the District of its \$[____] original aggregate principal amount of Park East Community Development District Special Assessment Revenue Bonds, Series 2024 (Series 2024 Project) (the "Bonds"). Capitalized terms used, but not defined, herein shall have the meaning assigned thereto in the Purchase Contract or in the Limited Offering Memoranda (defined below), as applicable.

2. The Landowner is a limited liability company organized and existing under the laws of the State of Florida.

3. Representatives of the Landowner have provided information to the District to be used in connection with the offering by the District of the Bonds, pursuant to a Preliminary Limited Offering Memorandum dated [____], 2024, and a final Limited Offering Memorandum dated [____], 2024 (collectively, the "Limited Offering Memoranda").

4. The Declaration of Consent to Jurisdiction of Park East Community Development District and to Imposition of Special Assessments dated [____], 2024 (the "Closing Date") executed by the Landowner, the Funding and Completion Agreement dated as of the Closing Date, by and between the District and the Landowner, the Development Acquisition Agreement dated as of the Closing Date by and between the District and the Landowner, the Agreement to Convey or Dedicate dated as of the Closing Date by and between the District and the Landowner, the Collateral Assignment and Assumption of Development Rights Relating to the Series 2024 Project dated as of the Closing Date and in recordable form by and between the District and the Landowner (the "Collateral Assignment"), the True-Up Agreement between the District and the Landowner dated as of the Closing Date, and the Continuing Disclosure Agreement dated as of the Closing Date, by and among the District, the Landowner, and Inframark, LLC, as dissemination agent, each constitute a valid and binding obligation of the Landowner, enforceable against the Landowner in accordance with their respective terms, subject to the effect of bankruptcy and similar laws and general equitable principles that may limit enforcement.

5. The Landowner has reviewed and approved the information contained in the Limited Offering Memoranda under the captions "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2024 PROJECT," "THE DEVELOPMENT," "THE LANDOWNER," "BONDOWNERS' RISKS" (with respect to the Landowner, the Series 2024 Project and the Development), "LITIGATION – The Landowner" and "CONTINUING DISCLOSURE" (with respect to the Landowner), and warrants and represents that such information did not as of their respective dates, and does not as of the date hereof, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the

circumstances under which they were made, not misleading. In addition, the Landowner is not aware of any other information in the Limited Offering Memoranda that contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

6. The Landowner represents and warrants that, to its knowledge, it has complied with and will continue to comply with Chapter 190.048, Florida Statutes, as amended.

7. As of the date hereof, there has been no material adverse change in the business, properties, assets or financial condition of the Landowner which would have a material adverse effect on the consummation of the transactions contemplated by the Financing Documents, Ancillary Documents or on the Development, which has not been disclosed in the Limited Offering Memoranda or in the other information provided in writing by the Landowner to the Underwriter.

8. The Landowner hereby consents to the levy of the Series 2024 Assessments on the lands within the District that are owned by the Landowner. The levy of the Series 2024 Assessments on the District Lands will not conflict with or constitute a breach of or default under any agreement, mortgage, lien or other instrument to which the Landowner is a party or to which its property or assets are subject.

9. The Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. The Landowner acknowledges that the Bonds have the debt service requirements set forth in the Limited Offering Memorandum and that the Series 2024 Assessments will be levied by the District at times, and in amounts sufficient, to enable the District to pay debt service on the Bonds when due.

11. To the best of its knowledge, the Landowner is not in default under any resolution, ordinance, agreement or indenture, mortgage, lease, deed of trust, note or other instrument to which the Landowner is subject or by which the Landowner or its properties are or may be bound, which would have a material adverse effect on the consummation of the transactions contemplated by the Financing Documents, Ancillary Documents or on the Development and is not delinquent in the payment of any ad valorem, federal or state taxes associated with the Development.

12. Except as otherwise disclosed in the Limited Offering Memoranda, there is no action, suit or proceedings at law or in equity by or before any court or public board or body pending or, solely to the best of its knowledge, threatened against the Landowner (or any basis therefor) (a) seeking to restrain or enjoin the execution or delivery of Financing Documents, Declaration of Consent or Ancillary Documents to which the Landowner is a party, (b) contesting or affecting the validity or enforceability of the Financing Documents, Declaration of Consent or Ancillary Documents, or any and all such other agreements or documents as may be required to

be executed, or the transactions contemplated thereunder, (c) contesting or affecting the establishment or existence of the Landowner, or of the Landowner's business, assets, property or conditions, financial or otherwise, or contesting or affecting any of the powers of the Landowner; or (d) which would materially and adversely affect the ability of the Landowner to pay the Series 2024 Assessments imposed against the land within the District owned by the Landowner or materially and adversely affect the ability of the Landowner to perform its various obligations described in the Limited Offering Memoranda.

13. To the best of its knowledge after due inquiry, the Landowner is in compliance in all material respects with all provisions of applicable law in all material matters relating to the development of the District Lands as described in the Limited Offering Memoranda, including, without limitation, applying for all necessary permits. Except as otherwise described in the Limited Offering Memoranda (a) the District is zoned and properly designated for its intended use; (b) all government permits other than certain permits, which permits are expected to be received as needed, have been received; (c) the Landowner is not aware of any default of any zoning condition, permit or development agreement which would adversely affect the Landowner's ability to complete or cause the completion of the District Lands as described in the Limited Offering Memoranda and all appendices thereto; and (d) there is no reason to believe that any permits, consents and licenses required to complete the District as described in the Limited Offering Memoranda will not be obtained as required.

14. The Landowner acknowledges that it will have no rights under Chapter 170, Florida Statutes, as amended, to prepay, without interest, the Series 2024 Assessments imposed on its lands within the District within thirty (30) days following completion of the Series 2024 Project and acceptance thereof by the District; provided, however, nothing herein shall limit the rights of property owners to prepay the Series 2024 Assessments with interest as set forth in the Assessment Proceedings.

15. Except as may be expressly disclosed in the Preliminary Limited Offering Memorandum, the Landowner has never failed to comply with any continuing disclosure obligations undertaken by the Landowner in accordance with the continuing disclosure requirements of the Rule.

16. The Landowner is not insolvent and is not in default of any obligations to pay special assessments.

[17. The Landowner [has] not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended. OR The [Landowner] [has] entered into prior continuing disclosure obligations in connection with SEC Rule 15c2-12, and the information presented in the Limited Offering Memoranda under the heading "CONTINUING DISCLOSURE" (at it relates to the Landowner only) accurately reflects the continuing disclosure history of the Landowner.

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this "Disclosure Agreement") dated as of [____], 2024 is executed and delivered by the Park East Community Development District (the "Issuer" or the "District"), [Park East Holdings, LLC], a Florida limited liability company (the "Landowner"), and Inframark, LLC, a Texas limited liability company registered to do business in the State of Florida, as Dissemination Agent (as defined herein) in connection with the Issuer's Special Assessment Bonds, Series 2024 (Series 2024 Project) (the "Bonds"). The Bonds are secured pursuant to a Master Trust Indenture dated as of December 1, 2021 (the "Master Indenture") and a Second Supplemental Trust Indenture dated as of [____] 1, 2024 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each entered into by and between the Issuer and U.S. Bank Trust Company, National Association, a national banking association duly organized and existing under the laws of the United States of America and having a designated corporate trust office in Orlando, Florida, as trustee (the "Trustee"). The Issuer, the Landowner and the Dissemination Agent covenant and agree as follows:

1. **Purpose of this Disclosure Agreement.** This Disclosure Agreement is being executed and delivered by the Issuer, the Landowner and the Dissemination Agent for the benefit of the Beneficial Owners (as defined herein) of the Bonds and to assist the Participating Underwriter (as defined herein) of the Bonds in complying with the Rule (as defined herein). The Issuer has no reason to believe that this Disclosure Agreement does not satisfy the requirements of the Rule and the execution and delivery of this Disclosure Agreement is intended to comply with the Rule. To the extent it is later determined by a court of competent jurisdiction, a governmental regulatory agency, or an attorney specializing in federal securities law, that the Rule requires the Issuer or other Obligated Person (as defined herein) to provide additional information, the Issuer and each Obligated Person agree to promptly provide such additional information.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

2. **Definitions.** Capitalized terms not otherwise defined in this Disclosure Agreement shall have the meaning assigned in the Rule or, to the extent not in conflict with the Rule, in the Indenture. The following capitalized terms as used in this Disclosure Agreement shall have the following meanings:

"Annual Filing Date" means the date set forth in Section 3(a) hereof by which the Annual Report is to be filed with each Repository.

"Annual Financial Information" means annual financial information as such term is used in paragraph (b)(5)(i)(A) of the Rule and specified in Section 4(a) of this Disclosure Agreement.

"Annual Report" shall mean any Annual Report provided by the Issuer pursuant to, and as described in, Sections 3 and 4 of this Disclosure Agreement.

"Assessment Area" shall mean that portion of the District lands subject to the Assessments, being more particularly described in the Limited Offering Memorandum as the Series 2024 Assessment Area.

"Assessments" shall mean the non-ad valorem Series 2024 Special Assessments pledged to the payment of the Bonds pursuant to the Indenture.

"Audited Financial Statements" means the financial statements (if any) of the Issuer for the prior Fiscal Year, certified by an independent auditor as prepared in accordance with generally accepted accounting principles or otherwise, as such term is used in paragraph (b)(5)(i) of the Rule and specified in Section 4(a) of this Disclosure Agreement.

"Audited Financial Statements Filing Date" means the date set forth in Section 3(a) hereof by which the Audited Financial Statements are to be filed with each Repository if the same are not included as part of the Annual Report.

"Beneficial Owner" shall mean any person which, (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.
